History /

Biographical:

Artifacts in this series were collected by Fred McGuinness during the course of his lifetime as a community volunteer and newspaperman. Beginning in the mid-1930s through the Second World War, McGuinness worked with the Canadian Pacific Telegraph service in Brandon and Winnipeg. McGuinness frequently wrote about those early experiences in his newspaper columns, journals, and monographs.

In the early 1950s, while McGuinness worked as a publicist with the Unemployment Insurance Commission in Winnipeg, he volunteered with community organizations such as the Winnipeg Community Chest Drive. From 1953 to 1955, McGuinness worked as an organizer for the Province of Saskatchewan's 1955 Golden Jubilee.

After the Saskatchewan Jubilee, McGuinness worked with The Medicine Hat News as a journalist and publisher from 1955 to 1965. During that time, McGuinness became heavily involved with the Medicine Hat Chamber of Commerce. His community and business connections resulted in his appointment as a fundraiser for the Medicine Hat Junior College Library, a building project intended to see the City established with its own college.

After his work with the Saskatchewan Jubilee, McGuinness was asked to be a Regional Director for the Canadian Centennial Commission from 1965 to 1967. During that time, McGuinness returned to his hometown of Brandon in 1966, to start a 20-year career with the Brandon Sun as a publisher and vice-president. McGuinness' interest in local history, of which he often wrote, made him the recipient of local ephemera from his readers.

Custodial History:

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

Scope and Content:

This series contains artifacts collected by Fred McGuinness during the course of his lifetime as a community volunteer and newspaperman. The artifacts include one telegraph sounder, four letterpress blocks, five typesetter rulers, two patches, two buttons, one token, one tin box, and ten sound recordings.

The telegraph sounder and relay system was possibly a gift from Bill Flett, a CPR superintendent. In his story "Canadian Pacific" published in *Letters from Section 17* (1999), McGuinness mentions receiving a package containing telegraph equipment while he was working at the *Brandon Sun*. The tin box in McGuinness' collection contained copies of telegraphs announcing the end of the war.

Two letterpress type blocks have the letters "WM" which may represent the initials of Fred McGuinness' father William McGuinness. J.R. Langford donated the "Colquhoun and Beattie" type plate to McGuinness, a known collector of Brandon local history. Mr. Beattie had gifted the plate to Lanford's father who worked as a barber in Brandon in 1906. The *Brandon Sun* letterpress is likely from the period when McGuinness worked at the *Brandon Sun*.

The five typesetter rulers come from a variety of typesetter and newspaper companies and include Teletypesetter (Chicago, IL), 6 Cutting Limited (Montreal, Toronto, Winnipeg), Mergenthaler Linotype Company (Brooklyn, NY), and *The Edmonton Journal*.

The two buttons in the collection come from McGuinness' time as a community-volunteer in Winnipeg, Manitoba. One button is from the Community Chest Drive, the other button is a guest badge from the 1953 Provincial Exhibition of Manitoba.

The two patches are from the Saskatchewan Golden Jubilee (1955). Photographs of Saskatchewan Jubilee events and participants wearing the patch on their blazers can be found in the McGuinness photograph collection.

McGuinness saved a Medicine Hat College Official Opening Token from October 3, 1971. McGuinness was likely at the opening as he was originally involved in the establishment of the junior college in the 1960s.

The sound recordings in McGuinness' collection largely pertain to centennial events, which McGuinness helped organize. There is one box set containing four records of the Saskatchewan Golden Jubilee Choir. Tucked in this volume is an additional record of the Choir recorded at CKCK, Regina, Saskatchewan. Also stored within the box set was a copy "Canada, A Centennial Song."

MPE A Local Association Records

<http://archives.brandonu.ca/en/permalink/descriptions8214>

Part Of: RG 4 Manitoba Pool Elevator fonds

Description Level: Series

Series Number: MPE A

GMD: textual records

Date Range: 1924-1998

Physical Description: 43 m

Scope and Content:

Series A is comprised of the records of the local co-operative elevator association as established in the period 1925 - 1968 under the Co-operative Associations Act. Until 1968 the local associations were the main administrative unit of Manitoba Pool Elevators. Subsequent to 1968 Pool Elevators became a direct membership top down organization. The central office was at the top, and the province was divided into seven administrative districts, which were in turn each divided into six sub-districts. Each sub-district would usually contain approximately five "locals". Please note that local associations were not obliged to become part of the new structure of Manitoba Pool Elevators, and as late as 1975 there were still 29 locals that did not belong to a sub-district. The records of each local within the Series may, but do not necessarily, contain the following: organizational papers, minutes of executive board, minutes of shareholders annual meeting, financial statements, correspondence, membership lists, miscellaneous. Series has been divided into 233 sub-series.

Notes:

This series contains records for both local associations and for sub-districts. Item number does not correspond to sub-district number, so an item number and sub-district number may be the same and correspond to two separate records.

MPE B Central Office Records

<http://archives.brandonu.ca/en/permalink/descriptions8215>

Part Of: RG 4 Manitoba Pool Elevator fonds

Description Level: Series

Series Number: MPE B

GMD: textual records

Date Range: 1923-2001

Physical Description: 16.82 m

History /

Biographical:

The structure of the Manitoba Pool Elevators from its beginning in 1925 until its restructuring in 1968 placed importance in the principle of democracy. The company was run from the local associations, the central office acting as a hub that facilitated communication between all the locals and between the locals and the selling agencies. The central office was not powerless, but important decisions or by-laws could not be made without the consent of the majority of the locals.

After the restructuring of MPE in 1968 the central office took on more responsibilities. It became the top of the administrative structure and instead of members belonging to their local elevator, they were now direct members of MPE. This administrative structure continued until the 1998 merger with the Alberta Wheat Pool to form Agricore.

Scope and Content:

Series B consists of an artificially assembled collection of Central Office records. It has been divided into the following sub-series: (1) Central Office minute books; (2) Documents; (3) Local Association Minutes; (4) Local association financial statements; (5) District and Sub-district records; (6) Circulars; (7) Annual reports; (8) Speeches & Addresses; (9) Correspondence; (10) Broadcasts; (11) General Reports; (12) Indexes; (13) Summary of Association Operations; (14) Acquisitions; (15) Inter-provincial Committees; (16) Historical Topics.
