## History /

### Biographical:

Albert Edward McKenzie was born in Wilcox Lake, York County, Ontario in 1870 to Francis Bethel McKenzie and Maria (Carley) McKenzie. In 1882 he moved to Brandon, Manitoba with his family, where his father established a Flour, Seed and Grain business. At the age of twenty-six, following his father's death, A. E. took over the family business and transformed it into a seed institute. As the President of The Brandon Seed House, and, later, A. E. McKenzie Seed Co. Ltd., Mr. McKenzie played a central role in the daily operations of his company up until three weeks prior to his death on September 25, 1964.

In 1901, Mr. McKenzie married Laura Bell of Carmen, Manitoba, with whom he had two daughters, Marjorie and Kathleen. Kathleen married Walter C. Roberts and became a member of the Board of Directors of her father's company. Marjorie graduated from Brandon College, and received additional degrees from the Columbia College of Expression, and from Northwestern University. From 1927-1930 she taught at Brandon College, then resigned to do post-graduate work. She returned to Brandon College in 1935 as Instructor of Public Speaking and Dean of Women in Clark Hall. Marjorie resigned as Dean of Women after one year, and eventually relocated to British Columbia. Both Kathleen and Marjorie survived their father. Laura had passed away in 1943. At the time of his death, A.E. McKenzie was also survived by had one grandson: David McKenzie Roberts.

In addition to building his company into one of Canada's foremost seed institutes, McKenzie was also involved with many community projects. He was affiliated with the YMCA, YWCA, Salvation Army, and Community Chest. He was a charter member of the Kiwanis Club, and a long-term officer of the Brandon Chamber of Commerce. However, McKenzie's major interest was Brandon College, for which he served as a governor and as chairman of the board of governors for the College.

A central figure in the fight to save Brandon College, McKenzie was instrumental in the formation of Brandon College Inc., and, in 1945, he established the A. E. McKenzie Foundation, for which the Government of Manitoba was the sole trustee. His gift to the Foundation was securities valued at \$1 million, which ensured the survival and re-establishment of Brandon College and later Brandon University.

In 1941, McKenzie received the degree of Doctor of Laws honoris causa from the University of Manitoba. In 1962, he was honored with a certificate of merit for exemplary citizenship in commerce and in every aspect of community life from the City of Brandon.

## History /

### Biographical:

A.E. McKenzie was born in Wilcox Lake, York County, Ontario in 1870 to F.B. and Maria (Carley) McKenzie. His family came to Manitoba in 1883. He was educated in Brandon, Manitoba and graduated from the Collegiate Institute at age 21. In 1897 he founded the Brandon Seed House. McKenzie was present at the cornerstone-laying ceremony of Brandon College on July 13, 1900. From that moment on, he was very involved in the College, first as an interested businessman, and later as a member of its Board of Directors. In 1902, McKenzie married Laura Bell in Port Arthur. They had two daughters, Marjorie Bell and Kathleen. In 1906 the Brandon Seed House was incorporated and from then on was known as the "A.E. McKenzie Co. Ltd.."

McKenzie became a member of the Brandon College Endowment Committee in 1918. The following year he was on the Finance Committee. By 1925, McKenzie was a member of the Board of Directors. In 1928, he was part of a syndicate that advised the Baptist Union that they were developing an endowment plan to provide continuing financial support to the College and talked the Union into providing \$10 000 towards the accumulated deficit.

In 1931, McKenzie organized the Brandon Board of Trade to help save Brandon College when the Baptists said they could no longer afford to keep the College. After the By-law failed, he helped to organize the Brandon Citizen's Campaign to raise enough money so that the College could open the following year.

When the Baptists withdrew support in 1938, McKenzie was one of the central figures on the Brandon Board of Trade that decided to save the College from closure. A representative delegation from Southwestern Manitoba of over 60 men descended upon Premier Bracken's office to try and convince him to help the College. On June 12, 1938 McKenzie said he would set up a \$100 000 endowment to Brandon College. He subsequently raised this amount to \$300 000. On August 1, 1938 the Board of Trade launched a campaign to raise \$15 000 to match what the government was prepared to offer the College. McKenzie was asked to provide Brandon College with \$3000 personally. In September of 1938, McKenzie upped his endowment once more to \$500 000. The fund raising worked however, and the charter establishing Brandon College Incorporated was assented to on April 17, 1939. On June 6, 1939 a by-law was again presented to the citizens of Brandon, and fortunately it passed.

In 1941, McKenzie received an honorary L.L.D. from the University of Manitoba. The A.E. McKenzie Foundation was created in 1945 by the provincial government, who had assumed 90% of the A.E. McKenzie Co. Ltd. stock.

On September 25, 1964 McKenzie died at the age of 94. He never retired, but worked full time until two weeks before his death. The funeral was held in the J.R.C. Evans Lecture Theatre. The Arts and Library Building at Brandon College was completed in 1960, and is known as the A.E. McKenzie building, in honour of the man who contributed so much time, effort and financial help to the College during a crucial period in its history.

### Custodial History:

### History /

#### Biographical:

The first issue of Connexion was printed in December 1970. The name Connexion was chosen "to symbolize the purpose of the periodical which is to form lines of communication between the administration of the university and the Academic Community." To this end, the publication contained articles released by the Board of Governors, the Senate, the Students' Executive, the Staff Association and other administrative offices of Brandon University. Connexion was published monthly until January-February 1972, when it became a quarterly publication in order to give the Information Office, who published the periodical, more time to focus on other tasks.

Inside Connexion was introduced in February 1972 as a bi-monthly publication for students, faculty and staff. It was dedicated to news, information and reports of interest to the Brandon University community.

### Scope and Content:

Sub-series consists of copies of Connexion (1970-73), Inside Connexion (1972) and Extension programs (Winter 1989). The Connexion file also has a few pieces of correspondence regarding articles/content in the publication.

Pierian Spring was the by-product of a creative writing workshop taught by Dr. Robert Brockway at Brandon University in 1969. The members of the workshop met once a month and at the end of the year they decided to produce a mimeographed book of poetry written by members of the group. They called it Peirian Spring, after the spot in Thrace from which the Muses came. In subsequent years, Brockway continued to teach the creative writing class as a non-credit extension course, however there were no further publications of Pierian Spring until Winter 1976. The later publications incorporated the writings of members of the group, but also included works by writers from across North America.

### Scope and Content:

Sub sub series consists of copies of one issue of "Aspen Grove" (1971) and numerous issues of "Pierian Spring" (1969, 1976, 1976-1989).
