FOCUS

<http://archives.brandonu.ca/en/permalink/descriptions4224>

Part Of: RG 6 Brandon University fonds

Description Level: Sub-series
Series Number: 9.2
GMD: textual records
Date Range: 1971-1973
Physical Description: 24 cm

History /

Biographical:

The FOCUS (For an Open Campus within the University System) program grew out of an innovative proposal submitted to the Department of Youth and Education (Planning and Research) in the Fall of 1971. The proposal, prepared by Evan H. Pepper (Brandon University), carried the recommendation of the Inter-University Committee on Summer and Evening Sessions. The original proposal aimed at reaching individuals who were denied access to university by virtue of geographical isolation or inadequate educational background. It also provided a more effective method of supplying course materials to remote areas. Finally, the course content was deliberately planned to include large components of discussion, feed-back, evaluation and self-direction. While the original proposal was designed to deliver a course in Environmental Biology, with a rather modest budget, the final project was altered in several ways. The budget was increased substantially and additional courses were added. The delivery systems and teaching strategies remained essentially unchanged.

Following several trips to the north, teaching centres and discussion leaders were selected for the two courses: Biology, which was offered in The Pas, Gillam, Leaf Rapids and Churchill; and Economics, which was offered in The Pas, Flin Flon, Thompson, Gillam and Leaf Rapids.

Each course in each centre had a person serving as a discussion leader, equipment operator, and liaison with the southern instructors. Each centre was supplied with library reference materials, a video-tape recorder, video-camera, video-monitor, an Instamatic camera, an audio-tape recorder and cassettes, and assorted instructional materials. The courses were organized in such a way that a certain amount of material was standardized and inflexible, while the remainder of the course content was determined by the students to meet their special interests and needs. The video-taped materials that were prepared in the south served as "discussion stimulators" to which the students at each centre reacted and responded. The students, in turn, prepared audio- and video-tapes that were to be sent south for evaluation and response.

The FOCUS project was funded by the Provincial Government, although students did pay tuition for each of the courses. Arrangements were made for financial assistance for some students.

The goals of the FOCUS program were: to deliver university degree-credit courses to small, sparsely-populated, remote locations in Manitoba, north of the 53rd parallel; to deliver university degree-credit courses to individuals who have not previously been involved in traditional university programs; to relate university degree-credit courses to the local community, wherever possible, and to respond to the educational needs of the community; to provide learning that is inter-disciplinary; to utilize, to the fullest, the resources of the local community and its members; to promote lifelong learning and motivation to action; to provide for course and curriculum flexibility and a program that would satisfy individual differences in learning rates.

Notes: The information in the History/Bio field was taken from documents found in the FOCUS files. The document was most likely written by Evan H. Pepper.

History /

Biographical:

Dr. Sweet was born in Dayton, Ohio. He graduated from Denison University, Granville, Ohio in 1889. In 1892 he graduated from the Rochester Theological Seminary in Rochester, NY. His first pastorate was in Adrian, Michigan, where he was ordained. Dr. Sweet served ten years at the Calvary Church in Minneapolis. In 1920, Dr. Sweet was appointed to a committee by the Northern Convention to inquire into the loyalty of schools to the historic faith of the Baptists. Sweet received his Doctor of Divinity from Denison University in 1921. He worked for the Y.M.C.A. during World War I in the United States and Overseas. After Dr. Whidden retired in 1923, Dr. Sweet was offered the position of President of Brandon College. He accepted the offer and arrived in Brandon with his wife and six children on September 10, 1923. Mrs. Sweet was a graduate of Mt. Holyoke College, and she had been a faculty member at Denison University. Dr. Sweet felt that Brandon was a call of God. He was inaugurated on October 11, 1923, and was readily accepted by students and faculty members alike.

His enthusiasm for fund raising was apparent, and he often took long trips in search of yet another subscription. He won the approval of the faculty, the students, the community and the Baptists. It was thought that Brandon College would prosper under the capable leadership of Dr. Sweet. Unfortunately, he died very suddenly at his home in Brandon on December 30, 1924. He was 55 years old. A funeral was held on January 3, 1925, and a memorial on January 7, 1925.

Scope and Content:

Because of his short term of office, there are few papers left from Dr. Sweet. The collection includes invoices from Brandon College accounts, correspondence to and from the Bursar and Registrar, and Board of Director Meeting minutes. There is considerable correspondence from Dr. Sweet to various people regarding sermon topics, foreign missionary work, and his own faith. As well, Dr. Sweet was very conscious of the need for funds to run the College. He was very involved in the fundraising efforts of the College and the Baptists on behalf of Brandon College. There is also correspondence dealing with the MacNeill controversy in the early 1920's.

History /
Biographical:

Dr. Evans was born in Nanaimo, B.C. on March 15, 1891. In the fall of 1907, at the age of sixteen, Dr. Evans entered the Academic Department of Brandon College. He played an integral part at the College, participating in academics, sports, and various other college functions and organizations. In his final year he was Senior Stick, the highest position in the Student Government. In 1913, Dr. Evans graduated from Brandon College. Immediately after graduation he was hired to teach Science and Academic Mathematics. In 1917, he became Principal of the Academic Department, while continuing to teach Mathematics and Science. Dr. Evans took leave in 1920 to study post graduate work at the University of Chicago. During the summers, he was the Acting Dean of the Department of Geology in Chicago. He received his Ph.D. in Geology in 1923, and returned to Brandon College. His new positions at the college were of Professor of Geology and Resident Master. He also taught some Chemistry.

On August 1, 1927, Dr. Evans married Adelene M. Bailey (Class of 1921, Music 1924) at the Joseph Bond Chapel in Chicago. He took over as College Dean in 1928 after the position became vacant. In September of 1928, Dr. Evans accepted the position of President of Brandon College, thus becoming its fifth president since the college's inception. Dr. Evans was head of the college at a very difficult time. He guided the College through the Depression and repeated threats of closure from the Baptists. Dr. Evans resurrected the Department of Theology in the mid-1930's. He helped with the reorganization of Brandon College as a non-denominational college in 1938, and its new affiliation with the University of Manitoba. During World War II, Dr. Evans started a War Emergency Fund, aimed at keeping the College from sinking into debt during the war years as enrollment shrank. With increased financial support from the government, Dr. Evans began expansion plans for the College. In 1958, he created the Dr. J.R.C. Evans Student Loan Fund in conjunction with the Alumni Association in order to provide worthy students with interest-free loans. It was also in 1958 that Dr. Evans was awarded the Queen Elizabeth Coronation Medal for his outstanding contribution to education in the British Commonwealth.

On July 29, 1959, Dr. Evans died suddenly at his summer home in Robson, B.C.. On his desk was the programme for the sod-turning ceremony for the new Arts and Library Building and Lecture Theatre. When it was completed, the Lecture Theatre was christened the Dr. J.R.C. Evans Lecture Theatre on behalf of the man who had made sure that it would be built. The Theatre had been his dream, a place to hold Chapel and Assemblies, as the student body grew in number.

Scope and Content:

Dr. Evans collection is quite substantial, owing to the fact that he was President of Brandon College for thirty one years. His collection is primarily made up of correspondence between Dr. Evans and various people. The letters deal with students, teachers, finances, fundraising, the Bursar, the Registrar, and legal matters. The collection also includes the minutes from various meetings, including Board of Director meetings and National Conference on Canadian Universities. There are accounts dealing with World War II, its affect on campus, the C.O.T.C, and the lending of part of Brandon College to the R.C.A.F. during the war. The complete withdrawal of Baptist support for Brandon College is well documented in this collection, as is the ensuing affiliation of the College with the University of Manitoba. The Brandon College Campaign and other fundraising endeavors are documented in Evans' papers as well. Evans was bent on the expansion of Brandon College, and there is a lot of correspondence dealing with this topic. There are various financial accounts and financial histories of Brandon College in Evans' collection.
