Date Range: September 1950 - June 1954  
Physical Description: 2 scrapbooks (7.5 cm)  
Physical Condition: Excellent

Robert (Bob) Troy Blair was born on March 11, 1930 in Brandon, MB. His first six years were spent in Alexander, MB, where his father and uncle operated a grocery store. In 1936, his family moved to Souris, MB, where his father ran a grocery store. Blair received his primary and high school education, with the exception of Grade 12, in Souris.

Blair remembers his school years in Souris as mainly happy years. He was involved with both piano and organ music lessons. he was never interested in physical sports with the exception of golf. World War II broke out in September of 1939. Souris became the site of #17 SFTS and home base for the British Commonwealth Air Training Plan. Many of the service men came from England, Australia and New Zealand. Blair's mother always entertained at least two for dinner every Sunday. Rationing of sugar, tea and coffee, butter and meat became a way of life. Blair had the job every Saturday of pasting the ration coupons into booklets. It was also when he was in Grade 6, that Blair realized he was more attracted to boys than to girls. Perhaps it was because so many attractive airmen surrounded him!

In November of 1947, the Blair family relocated to Alexander where Bob Blair finished his Grade 11. This was not a good year due to bullying. In September of 1948, Blair moved to Winnipeg to attend United College for his Grade 12. Upon completion of Grade 12, Blair remained in Winnipeg until June 1950. he worked at a number of businesses - Gestetner, Eaton's Mail Order shoe department, Maple Leaf Milling, and the drug store in the Medical Arts Building. In September 1950, he entered Brandon College. Blair was very active in extra-curricular affairs while at Brandon College; particularly drama. Following his B.A. he enrolled in the Education Faculty, having decided to become a teacher.

Blair's teaching career spanned 34 years. All but one year was spent in the Brandon School Division. On his first day of teaching in the Division he met the man with whom he would spend the next 46 years. He was primarily a teacher of English and Music. A highlight of his career was exchange teaching in Sacramento, California in 1961. Orientation for exchange took place in August in Washington, D.C., where Blair had the opportunity to meet President J.F. Kennedy. He vividly recalls the morning that JFK was assassinated on November 22, 1963. In September 1965, Blair assumed the principalship of Park School and in September of 1969, the same position at George Fitton School where he remained until his retirement in 1989. He was a member of the Brandon Principals' Association, the National Association of Elementary School Principals, and served as President of the Brandon Teachers' Association. Among his major accomplishments during his time as principal were the introduction of a centralized school library in both Park and George Fitton Schools and the integration of special needs students into regular classroom situations wherever possible. He was made a Life Member of the Manitoba Teachers' Society (Brandon) in June 1990. Following his retirement Blair worked as a Library Automation Consultant (1989-1993).

Blair also had numerous community involvements during his time in Brandon. he was active in the Brandon Little Theatre (Best Actor Award, Manitoba Drama Festival for One Act Plays in 1963), the Brandon Festival of the Arts, the Eckhardt-Gramatte National Music Competition, and Arm Industries to name a few.

Following the death of his partner in 2001, Blair moved to Saskatoon to live with a younger gay couple. He has been active in volunteerism: as an Ambassador for the Saskatoon Airport Authority, assistant with the Saskatoon Health Region's Immunization Clinics, information clerk for the Festival of Trees, data entry clerk for the Saskatoon Music Festival, on the Board of the Saskatoon Jazz Society, and Hospitality Coordinator for the Saskatoon Jazz Festival.

As of October 2013, Bob Blair continues to live in Saskatoon, SK.

Custodial History:

Records were in Blair's possession until he donated them to the McKee Archives on Homecoming weekend October 2013.

History /

Biographical:

In November 1966, McGuinness was hired as vice-president to the Brandon Sun. He moved to Brandon with his family and had a career with the paper until his death in 2011. During his years with the Sun, McGuinness wrote a tri-weekly "Sunbeams" (sometimes spelled "Sun Beams") column using the nom-de-plume F.A. [Fifth And] Rosser. Sunbeams was similar to McGuinness' "Lighthouse" column for The Medicine Hat News; commenting on a variety of current events, Sunbeams also included book reviews, local events, and reminiscences.

Upon his retirement in January 1987, McGuinness was made publisher emeritus of the Brandon Sun. A week after his retirement, he began writing a new column for the Sun, called the "Diary." Initially a bi-weekly column, which was made into a weekly column in 2009, McGuinness continued writing the "Diary" until his hospitalization in 2010. The Diary column was primarily a historical retrospective of Brandon, although it also touched on broader topics of interest to McGuinness during the time period.

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

Western Producer Books pitched the book's concept to Fred McGuinness in the fall of 1987. This book was part of the publisher's "city series" which focused on smaller cities such as Medicine Hat and Prince Albert. It was estimated that the book would contain a 6,000-word introduction followed by approximately 80 archival photographs of Brandon spanning from early settlement to the late 1950s/early 1960s.

Brandon University history major Pam Svistovski worked as McGuinness' research assistant and McGuinness obtained images for the book from his own personal collection, the Brandon Sun, Lawrence Stuckey, the Archives of Manitoba, and the Western Pictorial Index.

## History /

### Biographical:

Professor John Weldon Grant was born 12 March 1919 in Sunnybrae, Nova Scotia, son of Alec and Linda Grant. He was raised in Sunnybrae and graduated from Pictou Academy in 1937. Prof. Grant entered Pine Hill Divinity School to study Theology. During his ministerial internship, he taught and preached in Rabbit Lake and Biggar, Saskatchewan. He graduated from Pine Hill in 1943 and entered the mission field with the United Church.

Professor Grant moved to Trinidad & Tobago in the 1940s. There he taught in both San Fernando and Siparia, towns located in the southwest tip of the island. Weldon Grant was the first head master of the Iere High School in Siparia when it opened in 1955. Professor Grant is recalled by Kenneth Ramchand in his *The West Indian Novel And Its Background* as "his beloved English teacher" reading from an early Sam Selvon novel in a "Saskatchewan version of Trinidad dialect." That he was teaching Selvon – a West Indian writer - testifies to Grant's cultural pluralism. See Kenneth Ramchand, *The West Indian Novel and its background* (London: Faber and Faber, 2001 edition).

Professor Grant and Bernice Emma Moats were married in Gray, Saskatchewan 30 June 1954. They adopted three children in Nova Scotia and returned to Trinidad.

In 1961, the Grants returned to Canada. Weldon taught for one year at Vincent Massey High School and then joined the English Department at Brandon University where he taught in the English department until his retirement on August 31, 1984.

History /

### BRANDON COLLEGE BUILDING

The construction of the Brandon College Building, also known as the Original Building, was primarily financed by Mr. and Mrs. William Davies, a Toronto based Baptist meat packer, and his sister Mrs. Emily Davies, also of Toronto, who pledged \$5,000 a year for five years to the new Baptist College. Four city blocks between 18th and 20th streets were purchased for the College campus and the tender of Messrs. T.M. Harrington of Winnipeg was accepted in the spring of 1900; Mr. Hugh McCowan of Winnipeg appointed as architect. Mrs. Davies laid the cornerstone for the Brandon College Building on July 13, 1900.

The Brandon College Building was conceived as a substantial five story brick structure with a stone basement. The Tyndall Manitoba quarries, located thirty miles northeast of Winnipeg, supplied the stone and presented the College with the stone steps at the main entrance. The basement contained the dining room, kitchen, laundry, furnace room, a science laboratory, and maids' rooms. The first floor housed the reception room, office, library, four classrooms and the teachers' cloak rooms. The second floor had five classrooms, a reading room, five rooms for resident students and a resident teacher. Teachers' rooms and seventeen rooms for students comprised the third floor; and additional thirteen rooms for residents took up the fourth floor. The residence was to house 70 men. The total cost of the building and furnishings was \$44,000. The Brandon College Building was ready for occupancy by October 1, 1901.

### CLARK HALL

The cornerstone of Clark Hall was laid by Mrs. A.P. McDiarmid, wife of the Principal of Brandon College, on May 24, 1906. The residence was officially opened on Thanksgiving Day, October 18, of the same year. The construction of the building grew out of a demand for a ladies' college. A canvass made in Eastern Canada had resulted in subscriptions totaling \$10,000. When Dr. McDiarmid reported the results of the canvass to the Chairman of the Board, Dr. C.W. Clark of Winnipeg, Clark proposed that he and his wife be allowed to provide the balance of the funds, some \$30,000. While presenting the building at the opening ceremony, Clark stated that the reason for his donation was his belief in the power of cultured womanhood - he believed "that refined and Christian mothers were the strength of a nation and that he wished to see in Brandon a school of learning for women in which every Christian virtue

that he wanted to see in Brandon a center of learning for women in which every Christian virtue and grace might be illustrated."

Clark Hall was built immediately north of the Brandon College Building and was connected to it by classrooms and the iron door with its door bell, which was rung by gentlemen before being admitted. It is a five story brick building, with fittings of imported Georgia pine. In the basement was the gymnasium, studios and maids' rooms. On the main floor was a spacious reception room furnished by the Honorable A.C. Rutherford, the Premier of Alberta and the Lady Principal's suite, furnished by Mrs. N. Wolverston, wife of the treasurer of the College Board. Music studios and the offices of the resident matron were also on the main floor. The second and third floors were dormitories. The fourth floor was meant to be art studios, but due to registration demands, it was divided into students' rooms. The residence was designed to house fifty students and seven teachers. Piano practice areas were also designated on the west side of the building and on the groundlevel half way between the basement and the first floor.

#### BRANDON COLLEGE BUILDING AND CLARK HALL RESTORATION PROJECT

By the early 1990s, it was clear that major reconstruction work on the Brandon College Building and Clark Hall was necessary if the buildings were to remain in use. The alternative was to demolish both buildings and construct a new central administrative structure for the campus. Because of the historic character of the two original campus buildings, the decision was taken to mount a complete restoration of the structures that involved a complete removal of everything except for the surrounding brick facade and the construction of new buildings within the old external walls. This project was financed by the Provincial government of Manitoba, who granted the University approximately 10 million dollars. The Chief Architect for the restoration was George Cibinal. Work began in 1996 and was completed by the fall of 1997. In addition to the restoration of the Brandon College Building and Clark Hall, a new entrance was built on the west side of the buildings, as well as an addition to Clark Hall, which included a skywalk connecting it to the A.E. McKenzie Building.

Sub-series consists of photographs of the Brandon College Building and Clark Hall.

## Lawrence Stuckey photograph collection - Brandon history

<http://archives.brandonu.ca/en/permalink/descriptions9030>

Part Of: RG 11 Lawrence Stuckey fonds

Creator: Many of the images presented were captured by Mr. Stuckey himself. However being a well known and accomplished photographer and amateur historian, he also bought, sold and traded negatives with other collectors. Therefore the viewer is reminded that many images, although part of his collection, were created and/or provided for Mr. Stuckey by other collectors. In addition, it is believed that some images contained within his collection were created by photographing a pre-existing negative or print. We have attempted to note the authorship of all images when possible.

Description Level: Sub-series

Series Number: 3.1

Accession Number: 1-2002

GMD: graphic

### History /

### Biographical:

For history/bio information see the collection level description of the Lawrence Stuckey collection.

### Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

#### Scope and Content:

This sub-series consists of photographic negatives related to the history of Brandon, Manitoba.

All of the images contained within this sub-series were part of Mr. Stuckey's lifelong personal collection of photographic negatives and prints. Images include those related to people, street scenes, buildings, various city departments and so forth.

#### Notes:

All of the images from Mr. Stuckey's collection of negatives and prints were reproduced and digitized using an Epson scanner and software suite. All attempts have been made to reproduce the images in such a manner that balances our desire to portray the negatives and photographs as they originally appear, with the need to create an optimal digital image for viewing. Therefore it is noted that minor alterations to image size and contrast have occurred.

With few exceptions, all digitizing and database entry of images and descriptions was conducted during the summer of 2009 at Brandon University by Patrick Elves.

#### Repro Restriction:

The McKee Archives is the copyright holder for the Stuckey materials.

#### Storage Location:

Lawrence Stuckey collection

#### Arrangement:

Unless otherwise noted, the arrangement of these images was drawn from the original classification scheme used by Mr. Stuckey.

The information specific to each image, for the most part, was gained from Mr. Stuckey's personal notes regarding that particular photograph or similar photograph. Observations or notes contained within square brackets are explanatory or missing materials that have been added by someone other than Mr. Stuckey.

We have attempted to present the information that accompanies each image in the same format as was used by Mr. Stuckey himself.
