History /

Biographical:

The first issue of Connexion was printed in December 1970. The name Connexion was chosen "to symbolize the purpose of the periodical which is to form lines of communication between the administration of the university and the Academic Community." To this end, the publication contained articles released by the Board of Governors, the Senate, the Students' Executive, the Staff Association and other administrative offices of Brandon University. Connexion was published monthly until January-February 1972, when it became a quarterly publication in order to give the Information Office, who published the periodical, more time to focus on other tasks.

Inside Connexion was introduced in February 1972 as a bi-monthly publication for students, faculty and staff. It was dedicated to news, information and reports of interest to the Brandon University community.

Scope and Content:

Sub-series consists of copies of Connexion (1970-73), Inside Connexion (1972) and Extension programs (Winter 1989). The Connexion file also has a few pieces of correspondence regarding articles/content in the publication.
