History /

Biographical:

James Gordon Lindsay was born June 16, 1925 in Minneapolis, Minnesota where his father, James Lindsay, a Brandon pioneer from Northern Ireland, had been working for the Coca Cola Bottling Company. In November 1925, the Lindsay family moved back to Brandon where they lived at 547 16th Street.

Lindsay attended Park School, Earl Oxford Junior High School and Brandon Collegiate. In September 1943, he entered 2nd Year at Brandon College, joining the Class of 1946. Due to past experience in publishing the BCI yearbook, he was drafted into The Board of Publications and named Co-editor of the Quill along with third year student Genevieve Fuloski. Lindsay and Fuloski held their positions for two years. Because of the war, money and supplies were in short supply and the Quill at one point was reduced to mimeographed pages. While Editor Lindsay wrote The eggshell-Slightly Cracked column.

Lindsay was named Senior Stick in 1945 and graduated from Brandon College with a B.Sc. in 1946. He obtained both his MSc (1948) and PhD (1951) in Physical Chemistry from McMaster University.

During his time in Hamilton, Lindsay met Shirley Woolmer and the couple married on September 2, 1950. They moved to Arvida, Quebec in 1951 where Lindsay accepted an offer from Aluminium Laboratories Limited, the research arm of Alcan Aluminium Ltd. The couple remained in Arvida for twenty-two years, during which time they had four children: Sharon, Heather, Geoffrey and David.

In 1973, Lindsay was transferred to Alcan's head office in Montreal where he spent the next three years co-ordinating alumina research in Alcan plants around the world. In 1976, he accepted a transfer to Alcan Jamaica as Chief Technical Officer and Manager of Technical Development. He and Shirley spent nearly eight years in Jamaica before returning to Canada in 1984. After a year at Alcan's Research Centre in Kingston, ON Lindsay took early retirement.

During their years in Jamaica Lindsay had been introduced to Rotary and he continued his association with the organization in Kingston where for fifteen years he was Bulletin editor of the Kingston-Frontenac Rotary Club. In addition to Rotary, Lindsay (along with his wife) took up genealogy in his retirement and after fifteen years of extensive travel and research he became his Lindsay family's historian and author of The Lindsays of Dundonald.

For three years in the late 1980s Lindsay served as a representative on the Brandon University Alumni Executive for Eastern Canada. Along with his wife he attended two class reunions at Brandon University including his 50th Re-convocation in 1996.

At present (June 2010) Gordon Lindsay continues to live in Kingston, ON with his wife.

In these reports, Whidden records his impressions of military life through his training in Canada and England and his experience of war in Europe with the Canadian Expeditionary Force from 1917-1918. He was involved in the conflict only briefly at the conclusion of the war. His letters provide an account of life in France, Belgium and Germany in 1918.

History /

Biographical:

Dr. Evans was born in Nanaimo, B.C. on March 15, 1891. In the fall of 1907, at the age of sixteen, Dr. Evans entered the Academic Department of Brandon College. He played an integral part at the College, participating in academics, sports, and various other college functions and organizations. In his final year he was Senior Stick, the highest position in the Student Government. In 1913, Dr. Evans graduated from Brandon College. Immediately after graduation he was hired to teach Science and Academic Mathematics. In 1917, he became Principal of the Academic Department, while continuing to teach Mathematics and Science. Dr. Evans took leave in 1920 to study post graduate work at the University of Chicago. During the summers, he was the Acting Dean of the Department of Geology in Chicago. He received his Ph.D. in Geology in 1923, and returned to Brandon College. His new positions at the college were of Professor of Geology and Resident Master. He also taught some Chemistry.

On August 1, 1927, Dr. Evans married Adelene M. Bailey (Class of 1921, Music 1924) at the Joseph Bond Chapel in Chicago. He took over as College Dean in 1928 after the position became vacant. In September of 1928, Dr. Evans accepted the position of President of Brandon College, thus becoming its fifth president since the college's inception. Dr. Evans was head of the college at a very difficult time. He guided the College through the Depression and repeated threats of closure from the Baptists. Dr. Evans resurrected the Department of Theology in the mid-1930's. He helped with the reorganization of Brandon College as a non-denominational college in 1938, and its new affiliation with the University of Manitoba. During World War II, Dr. Evans started a War Emergency Fund, aimed at keeping the College from sinking into debt during the war years as enrollment shrank. With increased financial support from the government, Dr. Evans began expansion plans for the College. In 1958, he created the Dr. J.R.C. Evans Student Loan Fund in conjunction with the Alumni Association in order to provide worthy students with interest-free loans. It was also in 1958 that Dr. Evans was awarded the Queen Elizabeth Coronation Medal for his outstanding contribution to education in the British Commonwealth.

On July 29, 1959, Dr. Evans died suddenly at his summer home in Robson, B.C.. On his desk was the programme for the sod-turning ceremony for the new Arts and Library Building and Lecture Theatre. When it was completed, the Lecture Theatre was christened the Dr. J.R.C. Evans Lecture Theatre on behalf of the man who had made sure that it would be built. The Theatre had been his dream, a place to hold Chapel and Assemblies, as the student body grew in number.

Scope and Content:

Dr. Evans collection is quite substantial, owing to the fact that he was President of Brandon College for thirty one years. His collection is primarily made up of correspondence between Dr. Evans and various people. The letters deal with students, teachers, finances, fundraising, the Bursar, the Registrar, and legal matters. The collection also includes the minutes from various meetings, including Board of Director meetings and National Conference on Canadian Universities. There are accounts dealing with World War II, its affect on campus, the C.O.T.C, and the lending of part of Brandon College to the R.C.A.F. during the war. The complete withdrawal of Baptist support for Brandon College is well documented in this collection, as is the ensuing affiliation of the College with the University of Manitoba. The Brandon College Campaign and other fundraising endeavors are documented in Evans' papers as well. Evans was bent on the expansion of Brandon College, and there is a lot of correspondence dealing with this topic. There are various financial accounts and financial histories of Brandon College in Evans' collection.

History /

Biographical:

Samuel James McKee was born near Wellesley, Ontario on July 17, 1849. By 1872, he had graduated from Toronto University. That same year he accepted a position at the Canadian Literary Institute in Woodstock, Ontario. Although he accepted this post with reservation, McKee soon found himself converted to the Baptist faith and was a true believer. In 1881, his doctor advised him to move West because of his poor health. He and his wife Laura moved to Rapid City, Manitoba and established a farm there. His brother-in-law, Rev. Davis was busy establishing the Rapid City Academy during this time, and when Davis had the chance to move to Moose Jaw, he prevailed upon McKee to take over the Academy. Under McKee's guidance the Academy flourished. By 1890, he decided that he could reach more people if he relocated the school Brandon, Manitoba, which was located on the C.P.R. line. The S.J. McKee Academy did quite well in Brandon, although it had trouble finding a permanent home. By 1899, the school was located in the Stewart Block on Ninth Street and Rosser Avenue. McKee's wife taught music, and there were always potential ministry students in his classes.

In 1899, the Baptists finally decided that they wanted a College in Manitoba that would help prepare students for potential ministry service. It was decided to locate the school in Brandon, as McKee, a staunch Baptist, already had a flourishing Academy there. The Baptists and McKee amalgamated and Brandon College was created. When the school opened in October 1899, McKee was on the Board of Directors as well as teaching Classics, Mental Science and French. He also acted as the unofficial Vice-principal of the school. McKee taught several different subjects during the next few years, and in 1910 accepted the newly created post of Registrar. He retained this position for the next decade. As well, McKee acted as the Bursar in 1911-1913, 1914-1915, and 1919-1920. He retired in 1920 and moved to Vancouver. McKee was given the title Professor Emeritus in Philosophy. He was made an honorary member of the Board of Directors in 1925.

McKee and his wife had five daughters and three sons. Three daughters that died soon after the move from Rapid City due to a typhoid epidemic. His son, George Eugene, graduated from Brandon College in 1902. A son, John Harris McKee, became the Bursar of Brandon College in 1915 after obtaining his B.A. in 1914. Another son, William Carey McKee, graduated from Brandon College in 1914, and received his M.A. in 1915. He was studying Law in Calgary when he enlisted with the Army. Carey McKee was killed in action on August 26, 1918. A fourth son, Robert Allan also attended Brandon College. He enlisted when Carey did, but he was declared medically unfit for service in Winnipeg in 1917. He eventually returned to Brandon, but was sick for a very long time. He died on February 13, 1919, from a growth on his brain that had weakened him greatly. McKee's daughter Mildred also attended Brandon College. After her husband was killed in action in November of 1918, she returned home to her parents. Eventually she obtained a degree in Household Science. There is another daughter mentioned, Lydia. McKee also states in a tax return form that he has a permanently epileptic child in a home. It is not known if this child was Lydia or not. S.J. McKee died in September 1937 at the age of 88.

Custodial History:

To commemorate the move of the McKee Academy to Brandon, Manitoba in 1890, Brandon University renamed the Brandon University Archives the S.J. McKee Archives in the fall of 1990. At that time, the McKee family was represented by S.J. McKee's grandson William, who donated the S.J. McKee papers to the Archives. Up until 1990, the records had been in his custody, having passed from S.J. at the time of his death to William's father.

Scope and Content:

S.J. McKee's files are very unique. He has records detailing many aspects from Rapid City Academy and the desire for educating the West. He has a lengthy document entitled "The Beginning of our Educational Work in the West" in his records. It details the creation of Prairie College, its demise, and the building of the Rapid City Academy. There is a lot of correspondence, not just to and from S.J. McKee, but to and from his children as well. There are Land Titles papers, Mortgages, Last Will and Testaments, and various other legal documents dealing with the McKee family. There is a ninety page paper that his son, Carey, wrote in 1915 entitled "Immigrants and Their Assimilation." There are several files dealing with Carey McKee, and also with the death of Midred's husband, Robert Alexander Cunningham. The Minute Book of the Brandon College Literary Society from 1903-1905 is located in the McKee files. McKee also kept various newsclippings and certain issues of "The Western Baptist," "The Northwest Baptist" and "The Sunday School Times." As well, there are some used account and receipt books.

His records are extremely interesting in that McKee was really one of the founding fathers of Brandon College. The documentation that still exists with regard to Rapid City Academy is quite astounding, down to the legal agreement he and G.B. Davis made with Duncan L. McLaren regarding using some of his land to build the school on. His recollections on the beginnings of education in the west are clear and concise. As well, the sense of family and devotion to God are evident in almost all of the letters between family members.

History /

Biographical:

A.E. McKenzie was born in Wilcox Lake, York County, Ontario in 1870 to F.B. and Maria (Carley) McKenzie. His family came to Manitoba in 1883. He was educated in Brandon, Manitoba and graduated from the Collegiate Institute at age 21. In 1897 he founded the Brandon Seed House. McKenzie was present at the cornerstone-laying ceremony of Brandon College on July 13, 1900. From that moment on, he was very involved in the College, first as an interested businessman, and later as a member of its Board of Directors. In 1902, McKenzie married Laura Bell in Port Arthur. They had two daughters, Marjorie Bell and Kathleen. In 1906 the Brandon Seed House was incorporated and from then on was known as the "A.E. McKenzie Co. Ltd.."

McKenzie became a member of the Brandon College Endowment Committee in 1918. The following year he was on the Finance Committee. By 1925, McKenzie was a member of the Board of Directors. In 1928, he was part of a syndicate that advised the Baptist Union that they were developing an endowment plan to provide continuing financial support to the College and talked the Union into providing \$10 000 towards the accumulated deficit.

In 1931, McKenzie organized the Brandon Board of Trade to help save Brandon College when the Baptists said they could no longer afford to keep the College. After the By-law failed, he helped to organize the Brandon Citizen's Campaign to raise enough money so that the College could open the following year.

When the Baptists withdrew support in 1938, McKenzie was one of the central figures on the Brandon Board of Trade that decided to save the College from closure. A representative delegation from Southwestern Manitoba of over 60 men descended upon Premier Bracken's office to try and convince him to help the College. On June 12, 1938 McKenzie said he would set up a \$100 000 endowment to Brandon College. He subsequently raised this amount to \$300 000. On August 1, 1938 the Board of Trade launched a campaign to raise \$15 000 to match what the government was prepared to offer the College. McKenzie was asked to provide Brandon College with \$3000 personally. In September of 1938, McKenzie upped his endowment once more to \$500 000. The fund raising worked however, and the charter establishing Brandon College Incorporated was assented to on April 17, 1939. On June 6, 1939 a by-law was again presented to the citizens of Brandon, and fortunately it passed.

In 1941, McKenzie received an honorary L.L.D. from the University of Manitoba. The A.E. McKenzie Foundation was created in 1945 by the provincial government, who had assumed 90% of the A.E. McKenzie Co. Ltd. stock.

On September 25, 1964 McKenzie died at the age of 94. He never retired, but worked full time until two weeks before his death. The funeral was held in the J.R.C. Evans Lecture Theatre. The Arts and Library Building at Brandon College was completed in 1960, and is known as the A.E. McKenzie building, in honour of the man who contributed so much time, effort and financial help to the College during a crucial period in its history.

Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

A.E. McKenzie's records in the Brandon College fonds are very useful from an administrative point of view. Because McKenzie was so involved in Brandon College from the very beginning until his death in 1964, it is easy to understand how the College Administration arrived at decisions. There is correspondence between McKenzie and various regarding College and Board of Director business. There are Brandon College financial statements and letters regarding the A.E. McKenzie Foundation. The records contain newspaper clippings, pamphlets and lists of names of members of various Brandon organizations. As well, McKenzie has letters regarding Building Expansion in the 1940's and minutes of Board of Director meetings. There are also several photographs. One photograph is the 1919 graduation picture of Zoe Hough. Another is tentatively identified as Frances Wolverton, also of the Class of 1919. There are two more photographs of unidentified young women.

Description Level: Sub-series
Series Number: MG 2 2.16
Accession Number: 15-1999
GMD: textual records
Date Range: 1885-1918
Physical Description: 1.46 m

History /

Biographical:

Dr. Robert Dudley Howland was born June 1, 1909 in Bexley, Kent, England. He attended Queen Elizabeth Grammar School Faversham, Kent. In 1926, he came to Canada where he attended Brandon College, graduating in Arts in 1935. He subsequently attended the London School of Economics where he obtained a doctorate in Economics.

During his years at Brandon College, Howland participated in debating and drama. He also acted as a student minister for the Baptist Church.

Howland spent his working years in various positions in the federal and provincial governments. Energy was an important focus of his work. His introduction to energy problems came in 1944, when he was appointed Secretary of the Carroll Commission on coal. From this experience he accepted appointments in Nova Scotia as Vice-President of their Research Foundation; Deputy Minister of Trade and Industry and Economic Advisor to the Nova Scotia government.

In addition to the Carroll Royal Commission on Coal, Howland was associated with the Royal Commission on Saskatchewan's Coal Mining Industry, was an economist on Canada's Economic Prospects from 1955-1957, and a member of the Royal Commission on Energy.

In 1959, Howland was appointed Vice-President of the National Energy Board and Chairman from July 1, 1968, until his retirement in August 1973. Howland was granted an honorary LL.D. by Brandon University in May 1974.

Howland had a lifelong interest in the Fabian Society and Fabian Socialism, assembling a rich collection of original edition Fabian publications.

Custodial History:

Dr. Howland presented his collection of Fabian publications to Brandon University sometime in the 1970s. The collection remained in the John E. Robbins Library until it was placed in the Archives in 1997.

Scope and Content:

The Howland Collection includes a wide range of books, pamphlets, and assorted publications of the Fabian Society assembled by Dr. Howland.

The Fabian Society, a socialist society, was founded in 1883-1884, in London. The Fabian Society was created with the goal of fostering the creation of democratic socialism in Great Britain. Unlike revolutionary Marxists, the Fabians placed their hopes for change in evolutionary socialism not revolution.

The creation of the Fabian Society is generally attributed to Thomas Davidson, a Scottish philosopher. Its charter members included George Bernard Shaw, Sidney Webb, Annie Besant, Edward Pease, and Graham Wallas. Shaw and Webb, later joined by Webb's wife, Beatrice, were the outstanding leaders of the Society for many years. In 1889, the Society published its best-known tract, "Fabian Essays in Socialism," edited by Shaw. The Fabian Society played an integral role in the creation of the British Labour Party.

History /

Biographical:

Margaret (Peggy) Doran was born on May 27, 1919 in Brandon, Manitoba to parents Sol and Margaret (Honan) Roberts. Doran grew up in Brandon and was very active in theatre during her high school and college years. Her first theatrical success came at age 20, when she directed Brandon Little Theatre's production of "Send Her Victorious," which received top honours in the Manitoba Drama Festival.

Following her graduation from Brandon College in 1941, she trained as a nurse at Montreal's Royal Victoria Hospital during the Second World War and worked at Vancouver General Hospital for almost a year.

On August 25, 1945, Peg married Dennis Roberts, whom she had met in high school. Dennis, a music graduate from the University of Manitoba in Winnipeg, became interested in psychology after serving overseas with the Royal Canadian Air Force, so the couple moved to Toronto so that he could pursue a psychology degree at the University of Toronto. After Dennis graduated in 1950, the family moved to Sudbury, where Dennis and Peg became actively involved with the education and cultural life of the city. Peg was especially involved with the Sudbury Little Theatre Guild (SLTG), which was founded in 1948.

Between 1950 and 1956, Peg directed or acted in five plays. Her directorial works included: *Blithe Spirit*, *The Importance of Being Earnest*, *The Glass Menagerie* and *Antigone*. Peg was recognized for her directing of *Antigone* when she won the Edgar Stone Trophy for Directing in the Dominion Drama Festival in 1955. For the 1956-1957 season, Peg assumed the role of President of the SLTG. During this time, she successfully petitioned the Dominion Drama Festival to create a new region and thus in 1957, the Quebec-Ontario Theatre Association (QUONTA) was founded and Peg acted as its first regional chairperson. Peg's further accomplishments included co-founding and serving on the board of directors of the Sudbury Theatre Centre, as well as acting as drama consultant for the Sudbury Secondary School Board.

Peg was diagnosed with breast cancer in 1997 and, shortly after, in 1998, she moved back to Toronto. She died there on April 2, 2003. Peg and Dennis had three children: Judith Marion (b. June 23, 1946), Steven John (b. September 8, 1950), and Patricia May (b. April 5, 1955).

Custodial History:

After Peg's death in April 2003, materials in the collection were gathered and donated to the S.J. McKee Archives by her children Judith, Steven and Patricia Roberts on July 19, 2003.

Scope and Content:
