Physical Description:	c. 2700 photograph negatives; c. 100 b/w prints

History /

Biographical:

For history/bio information see the fonds level description of the Lawrence Stuckey collection.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. The balance of the materials, including the photograph negative collection, was deposited in the Archives following Mr. Stuckey's death. Some of the negatives came into Mr. Stuckey's possession when he acquired the Clark J. Smith Studio, Brandon, Man.

#### Scope and Content:

Created by Lawrence A. Stuckey, the collection includes some of his own photography. Stuckey took many of the photos during his travels in Southwestern Manitoba and further afield. As well, he acquired copies of negatives that fit his interest from friends, contemporaries, and other professional photographers. The majority of these copies are of photographs that predate Stuckey's era.

The collection includes various subjects from Brandon's history (including people, buildings, transportation, railways, and institutions) 1879 to 1992; surrounding communities, railway lines and trains 1925 to 1989; agriculture ca. 1890 to 1983; railway photographs including the Prairie Dog Central, grain cars and various railways, including Canadian Pacific, Canadian National, Great Northern, and Brandon, Saskatchewan & Hudson's Bay, ca. 1900 to 1992; vehicles, planes, and ships ca. 1940 to 1981; personal photographs including friends, travel and other personal interests.

The series has been divided into nine sub-series, including: (1) Brandon history; (2) Westbran project parks; (3) Rural archives; (4) History - miscellaneous (including Walker collection); (5) Grain cars; (6) The prairie dog; (7) Personal interests; (8) Lawrence Stuckey; and (9) Unsorted.

Notes:	Funding for series three level descriptions and digitizing of the Lawrence Stuckey fonds has been provided courtesy of a generous grant from the Heritage Grants Advisory Council of the Manitoba Government 2009.
Repro Restriction:	The McKee Archives is the copyright holder for the Stuckey materials.
Finding Aid:	A copy of the photograph inventory is in the blue binder on the reference shelf in the reading room.
Storage Location:	Lawrence Stuckey collection

## Lawrence Stuckey photograph collection - Brandon history

<http://archives.brandonu.ca/en/permalink/descriptions9030>

Part Of: RG 11 Lawrence Stuckey fonds

Creator: Many of the images presented were captured by Mr. Stuckey himself. However being a well known and accomplished photographer and amateur historian, he also bought, sold and traded negatives with other collectors. Therefore the viewer is reminded that many images, although part of his collection, were created and/or provided for Mr. Stuckey by other collectors. In addition, it is believed that some images contained within his collection were created by photographing a pre-existing negative or print. We have attempted to note the authorship of all images when possible.

Description Level: Sub-series

Series Number: 3.1

History /

Biographical:

For history/bio information see the collection level description of the Lawrence Stuckey collection.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

This sub-series consists of photographic negatives related to the history of Brandon, Manitoba.

All of the images contained within this sub-series were part of Mr. Stuckey's lifelong personal collection of photographic negatives and prints. Images include those related to people, street scenes, buildings, various city departments and so forth.

Notes:

All of the images from Mr. Stuckey's collection of negatives and prints were reproduced and digitized using an Epson scanner and software suite. All attempts have been made to reproduce the images in such a manner that balances our desire to portray the negatives and photographs as they originally appear, with the need to create an optimal digital image for viewing. Therefore it is noted that minor alterations to image size and contrast have occurred.

With few exceptions, all digitizing and database entry of images and descriptions was conducted during the summer of 2009 at Brandon University by Patrick Elves.

Repro Restriction:

The McKee Archives is the copyright holder for the Stuckey materials.

Storage Location:

Lawrence Stuckey collection

#### Arrangement:

Unless otherwise noted, the arrangement of these images was drawn from the original classification scheme used by Mr. Stuckey.

The information specific to each image, for the most part, was gained from Mr. Stuckey's personal notes regarding that particular photograph or similar photograph. Observations or notes contained within square brackets are explanatory or missing materials that have been added by someone other than Mr. Stuckey.

We have attempted to present the information that accompanies each image in the same format as was used by Mr. Stuckey himself.
