History /

Biographical:

The photographs in the exhibit were selected by Christy Henry from the Brandon University photograph collection, the Clark Hall scrapbooks, the Arend Visser collection, the Lois and Gordon Daly fonds and the Frances Percival (nee Fraser) fonds. The photos were selected to compliment slate art pieces created by Barb Flemington that were used in the same exhibit. The goal was to select photos that would reference the relationship between the slate, the buildings and the students and faculty who lived and learned at Brandon College. Henry also tried to choose images that were dynamic enough to hopefully stand on their own in addition to supporting Flemington's work. The exhibit was mounted on the Tommy McLeod Curve Gallery in the John E. Robbins Library from December 1, 2008 to January 12, 2009. A closing reception was held at the Tommy McLeod Curve Gallery on January 9, 2009.

Custodial History:

Photographs used in the exhibit are housed in the McKee Archives. The reproductions were made by Brandon Photographics and the mounting was done by Frame Ups.

Scope and Content:

Consists of the ten photographic reproductions (mounted on foam board) used for the translate exhibit.

Creator: Davidson & Gowen
Description Level: Fonds
Accession Number: 6-1999
GMD: graphic
Date Range: 1912
Physical Description: 105 b/w photographs

History /

Biographical:

Alfred Fowler was born in 1903, in Toronto, Ontario. At the age of 23 he began working for Canadian National Railways (C.N.R.) in the company's telegraph accounting department. He remained employed there for 45 years, with the exception of the years 1940-45 when he served with the Royal Canadian Artillery during World War II. During his service he was stationed at Shilo, Manitoba, where he met his future wife, Elsie Bowen. They were married late in 1944, and in 1945 returned to Toronto. Fowler remained in Toronto until his death in 1969. Throughout his life, Mr. Fowler was an ardent amateur photographer.

Custodial History:

All 105 prints in this collection were created by Davidson & Gowen, a photography business located in Brandon. It seems likely that they were created for display and/or for commercial sale as part of the November 7, 1912 "Harvest" edition of The Brandon Sun. Alfred Fowler acquired a copy of the Davidson and Gowen prints during his stay at C.F.B. Shilo during the Second World War. In 1946 Alfred Fowler left Brandon returning to his home in Toronto. With the death of Alfred in 1969 the collection passed to his wife, Elsie Fowler. Elsie died in 1987, also in Toronto. Her estate passed to her nephew, Byron Forsyth, a Brandon resident. Byron brought the collection back to Brandon and in 1999 donated it to the McKee Archives.

Scope and Content:

The prints concern various subjects in Brandon, Manitoba c. 1911-1912 including Brandon residences, store fronts/businesses, streetscapes, churches, the Brandon Fair, parks, hotels, institutional structures (ie hospitals, City Hall) and rail yards (both Canadian Northern and Canadian Pacific) in the city. These images provide a visual record of Brandon in the years just before the Great War.

Notes: CAIN No. 202647. All addresses listed for photographs in the Fowler collection were derived from Henderson's Directories (1911, 1913).
Location Copy: Copies of the photographs are in the green binder on the reference shelf in the reading room. Negatives for CPR photographs have been placed with 6-1999.10 (CPR Railway depot).
Storage Location: RG 5 photograph storage drawer.

Edward Walker fonds

<http://archives.brandonu.ca/en/permalink/descriptions4888>

Part Of: RG 5 Western Manitoba Manuscript Collection
Description Level: Fonds
Accession Number: 24-2006

GMD: graphic
Date Range: 1896-1920; predominant 1896-1910
Physical Description: 55 glass plate negatives
(52 at 5x7; 3 at 3X5)

History /

Biographical:

Edward Walker was born in Lymm, Cheshire, England in 1836. He emigrated to Canada at age 59 in 1895, from Stockport, England. Walker came to Canada with three of his children - Dora, Daisy and Theo - and settled in Millwood, Manitoba. In childhood, Walker was a victim of polio and walked with the aid of two canes throughout his adult life. Walker was a professional photographer. Once in Canada, he also took out a homestead at N.W. 18-19-229, though it appears that his son Theo did most of the work required to gain title to the property. In addition to his work as a photographer, Walker was appointed post-master for Millwood in 1901, and operated a small store. Edward Walker retired as postmaster in 1920. He died in 1923.

Custodial History:

The Walker fonds arrived at the S.J. McKee Archives as part of the Lawrence Stuckey Collection in 2001. While the circumstances are not known, it seems evident that Stuckey acquired the Walker negatives in the course of his professional career as a photographer and collector.

Scope and Content:

Fonds contains a variety of images of Millwood, Manitoba and the surrounding agricultural community, its people, and life produced by Edward Walker in the course of his work as a professional photographer. These images were produced from gelatin dry plate negatives, a process introduced around 1880, to replace the wet collodion process in which a photographic solution was applied to a glass plate just prior to exposure. Edward Walker's pictorial account of life in and around Millwood Manitoba circa 1900, is an important photographic legacy of pioneer life on the upper reaches of the Assiniboine Valley.

The village of Millwood was located in the Assiniboine River valley close to the Manitoba-Saskatchewan border just a few miles northwest of Binscarth and a similar distance southwest of Russell. It came into existence in 1887, with the construction of the Manitoba and North-Western Railway, a road that ran diagonally through the new West from Prince Albert, North West Territories to Portage la Prairie Manitoba.

Notes: Description by Tom Mitchell.
Storage Location: 2006 accessions
Storage Range: 2006 accessions
Related Material: Several prints were located with the Walker Negatives. These were created by Lawrence Stuckey and have been located with the Lawrence Stuckey collection and identified as "Edward Walker" prints.
