History / Biographical:	

Brandon University received its charter on June 5, 1967, on the occasion of the visit of Her Royal Highness Princess Alexandra and the Honourable Angus Ogilvie. The institution has its roots in Brandon College, which was established in 1899, by the Baptist Convention of Manitoba and the Northwest Territories and was administered by that authority until 1938. During these years it was an affiliate, first of the University of Manitoba and, from 1911 to 1938, of McMaster University. In 1938, it became a non-denominational affiliate of the University of Manitoba, under a board of directors elected by the Brandon College Corporation, and it continued as such until it was made a provincial university in 1967.

1967-1968 was the first year of operation as Brandon University.

The University is a co-educational, non-denominational, government-supported institution within the Province of Manitoba. It is a member of the Association of Universities and Colleges of Canada (AUCC) and the Association of Commonwealth Universities (ACU).

As stated in The Brandon University Act (1998), the purposes and objects of the university are: (a) the advancement of learning and the creation, preservation and dissemination of knowledge; and (b) the intellectual, social, ethical and physical development and improvement of its students and employees and of society. To further its purposes and objects the university may: (a) establish and maintain such colleges, faculties, schools, institutes, departments, chairs and courses of instruction as the board considers appropriate; (b) give instruction and training in all branches of learning; (c) grant degrees, including honorary degrees, diplomas and certificates of proficiency; (d) provide facilities for original research in every branch of learning, and conduct or facilitate the conducting of such research; and (e) generally promote and carry on the work of a university.

The mission statement of the University is to shape the whole person and enable students to make a positive difference as citizens and leaders. In a welcoming and supportive setting, the University emphasizes research, scholarship, critical thinking, performance, artistic creation, communication and participation, as a means of imparting value and meaning to society and contributing to the public good. The University nurtures and develops excellence in its programs, attracts an outstanding faculty, defends academic freedom, preserves knowledge and sustains a scholarly community where cultural differences are valued. The University strives to complement its primary mission of teaching and research by sharing the expertise of its staff, its information resources and its facilities with the greater community.

North Lauder Radiocarbon Date report by IsoTrace Laboratory for Atkinson site #TO-10640.

Radiocarbon dating
The technique of radiocarbon dating was developed by Willard Libby and his colleagues at the University of Chicago in 1949.

Radiocarbon dating is used to estimate the age of organic remains from archaeological sites. Organic matter has a radioactive form of carbon (C14) that begins to decay upon death. C14 decays at a steady, known rate of a half life of 5,730 years. The technique is useful for material up to 50,000 years. Fluctuations of C14 in the atmosphere can affect results so dates are calibrated against dendrochronology. Radiocarbon dates are calibrated to calendar years.

Dates are reported in radiocarbon years or Before Present. Before Present refers to dates before 1950. The introduction of massive amounts of C14, due to atomic bomb and surface testing of atomic weapons, has widely increased the standard deviation on all dates after A.D. 1700 causing these dates to be unreliable.

Accelerated mass spectrometry can more accurately measure C14 with smaller samples and can date materials to 80,000 years.

ARCH 2: North Lauder Locale

The North Lauder locale has a long archaeological and geological history that is important for understanding the forces that shaped the region. Archaeological research in the locale shows that the area has been occupied by humans for at least the past 6,500 years. Environmental forces provided an area of diverse resources that attracted early peoples.

Environment of the Lauder Sandhills
The North Lauder locale is part of the greater Lauder Sandhills area. The glaciers that covered this region began to recede approximately 11,000 years ago leaving a large lake known as glacial Lake Hind. The Souris River, the Lauder Sandhills and the Oak Lake Aquifer are remnants of the environmental and geological forces that shaped the region.

The Lauder Sandhills region is characterized by a landscape of sand sheets and stabilized sand dunes interspersed with a variety of wetlands. This complex topographic and hydrological situation favoured the development of an island mosaic of mixed forest, wetland and meadow, surrounded by mixed grass prairie. The result was a large, isolated ecotone which provided a rich variety of subsistence resources for hunter-gatherers.

Research in the Lauder Sandhills
Archaeologists from Brandon University have been conducting research in the Lauder Sandhills since 1991. Research in the North Lauder locale has focused on the Atkinson site, a 6,500 year old hunter-gatherer site and Flintstone Hill.

The Atkinson site
The Atkinson site is one of the oldest excavated sites in Manitoba and has been Radiocarbon dated to 6,500 years before present. The Atkinson site is located on the bank of the Souris River and was discovered when a hearth (fire pit) was seen eroding out of the bank. Based on the date of the site and the kind of lithics (stone tools) present it is considered a Gowen occupation. The Atkinson site is evidence that bison hunters were active on the northern plains at a very early date. Similar sites have also been found on the High Plains in the U.S. and are referred to as the Mummy Cave Complex.

The Atkinson Site is of great importance as it is the first undisturbed site of this type to be excavated in Manitoba and extends the range of these sites south and east from the type-sites in central Saskatchewan.

Flintstone Hill
The geomorphology of the glacial Lake Hind Basin over the past 11,000 years is known primarily through the study of a cut bank along the Souris River. Flint Stone Hill contains the most complete stratigraphic record for the post-glacial period on the northern plains. The site has been extensively studied by geoarchaeologists, geologists and paleoenvironmentalists over many years and their findings have contributed to our understanding of the region.

The North Lauder locale Borden designations of Atkinson site DiMe-27 and Flintstone Hill site DiMe-26

DiMe-26.

Borden System

Archaeological sites in Canada are identified by the Borden system, which is a uniform site designation system. The country is divided into grids based on latitude and longitude in blocks of 10 x 20 minutes. The first 4 letters indicate the block and the following numbers indicate the actual site. For example the area of the Lauder Sandhills in southwestern Manitoba is identified by the letters DM and the North Lauder locale within that area is DiMe. The Atkinson site is DiMe-27 and the Flintstone Hill site DiMe-26. As new sites are discovered they will be numbered sequentially.

History /
Biographical:

Robert (Bob) Troy Blair was born on March 11, 1930 in Brandon, MB. His first six years were spent in Alexander, MB, where his father and uncle operated a grocery store. In 1936, his family moved to Souris, MB, where his father ran a grocery store. Blair received his primary and high school education, with the exception of Grade 12, in Souris.

Blair remembers his school years in Souris as mainly happy years. He was involved with both piano and organ music lessons. he was never interested in physical sports with the exception of golf. World War II broke out in September of 1939. Souris became the site of #17 SFTS and home base for the British Commonwealth Air Training Plan. Many of the service men came from England, Australia and New Zealand. Blair's mother always entertained at least two for dinner every Sunday. Rationing of sugar, tea and coffee, butter and meat became a way of life. Blair had the job every Saturday of pasting the ration coupons into booklets. It was also when he was in Grade 6, that Blair realized he was more attracted to boys than to girls. Perhaps it was because so many attractive airmen surrounded him!

In November of 1947, the Blair family relocated to Alexander where Bob Blair finished his Grade 11. This was not a good year due to bullying. In September of 1948, Blair moved to Winnipeg to attend United College for his Grade 12. Upon completion of Grade 12, Blair remained in Winnipeg until June 1950. he worked at a number of businesses - Gestetner, Eaton's Mail Order shoe department, Maple Leaf Milling, and the drug store in the Medical Arts Building. In September 1950, he entered Brandon College. Blair was very active in extra-curricular affairs while at Brandon College; particularly drama. Following his B.A. he enrolled in the Education Faculty, having decided to become a teacher.

Blair's teaching career spanned 34 years. All but one year was spent in the Brandon School Division. On his first day of teaching in the Division he met the man with whom he would spend the next 46 years. He was primarily a teacher of English and Music. A highlight of his career was exchange teaching in Sacramento, California in 1961. Orientation for exchange took place in August in Washington, D.C., where Blair had the opportunity to meet President J.F. Kennedy. He vividly recals the morning that JFK was assassinated on November 22, 1963. In September 1965, Blair assumed the principalship of Park School and in September of 1969, the same position at George Fitton School where re remained until his retirement in 1989. He was a member of the Brandon Picnipals' Association, the National Association of Elementary School Principals, and servedas President of the Brandon Teachers' Association. Among his major accomplishments during his time as principal were the introduction of a centralized school library in both Park and George Fitton Schools and the integration of special needs students into regular classroom situations wherever possible. He was made a Life Member of the Manitoba Teachers' Society (Brandon) in June 1990. Following his retirement Blair worked as a Library Automation Consultant (1989-1993).

Blair also had numerous community involvements during his time in Brandon. he was active in the Brandon Little Theatre (Best Actor Award, Manitoba Drama Festival for One Act Plays in 1963), the Brandon Festival of the Arts, the Eckhardt-Gramatte National Music Competition, and Arm Industries to name a few.

Following the death of his partner in 2001, Blair moved to Saskatoon to live with a younger gay couple. He has been active in volunteerism: as an Ambassador for the Saskatoon Airport Authority, assistant with the Saskatoon Health Region's Immunization Clinics, information clerk for the Festival of Trees, data entry clerk for the Saskatoon Music Festival, on the Board of the Saskatoon Jazz Society, and Hospitality Coordinator for the Saskatoon Jazz Festival.

As of October 2013, Bob Blair continues to live in Saskatoon, SK.

Custodial History:

Records were in Blair's possession until he donated them to the Mckee Archives on Homecoming weekend October 2013.

Scope and Content:

Fonds consists of two scrapbooks containing 145 photographs and ephemera (play and graduation programs, tickets, pins, newspaper clippings) documenting Bob Blair's days at Brandon College. Social events and extra-curricular activities are heavily featured in the two scrapbooks. Also included are graduation portraits for the Classes of 1951, 1952 and 1953. Of the 145 photographs all are black and white except for two photos of the Class of '53 reconvocation (May 1993), and one from the Class of '53 reunion (2003).

History / Biographical:

In 1965, Chris Verhoef, member of the Overture Concert Association, Allied Arts Centre, and Brandon Citizens' Commitee for the Performing Arts, called for a meeting of Western manitoba citizens interested in the prospect of a Philharmonic Choir for the region. The meeting took place on 26 May 1965; the steering committee that gathered, led by Margaret Goodman, undertook the formation of the Choir. The Choir would have an Executive consistign of at least four members, and a committee consisting of a minimum seven members. Each executive member would be elected on an annual basis. The Choir's executive, in collaboration with the conductor, would determine the choir's repertoire for the year. The establishment of the Western Manitoba PHilharmonic Choir (WMPC) sought to encourage amateurs to sing for enjoyment, provide the opportunity for a choir to perform choral compositions in collaboration with a symphony orchestra and promote and sponsor the

musical arts in the Western Manitoba region. Membership to the choir would be open to all citizens of the region, and members would be accepted based on the discretion of the conductor. The first meeting of prospective members took place on 27 September 1965 in St. Matthews Cathedral parish Hall where more than 90 people gathered and registered to become a member of the WMPC.

Chris Verhoef led the Western Manitoba Philharmonic Choir into its first season as President of the choir's Executive Committee. For the organization's first season, the WMPC hired two members of the Brandon College School of Music: Lucien Needham for the position of conductor and Louise Chapman for the position of accompanist. Brandon College, as well as other donors sponsored the choir for its first season. The Choir held its debut performance in collaboration with the Winnipeg Sympnay Orchestra (WSO) on 12 March 1966, and the Choir's performance of Vivaldi's Gloria and Handel's Dettingen te Deum attracted an audience of more than 1400 people. The performance was well received by the public. The debut performance's asuccess earned the CHoir a rcommendation for a grant from the Manitoba Centennial Corporation that would sponsor a special concert during the centennial year. Furthermore, the Canada Council supported the Winnipeg Symphony Orchestra, by the means of special funds, to make the Symphony's appearance witht he Philharmonic Choir possible.

For the WMPC's second season, membership rose to 111 amateur singers. Verhoef remained as President of the Executive, while the Brandon Citizens' Committee for the Performing Arts provided sponsorship. Following the Choir's performance of Schubert's Mass in Eb Major on 17 November 1966, the membership increased to 132 singers. On 20 January 1967, the WMPC's first taped broadcast was released over CBC and CKX. The broadcast's success resulted in an offer from CBC to record another broadcast for a similar release. The Kiwanis Club of Rivers invited the Choir to perform in Rivers on 25 january 1967. On 7 April 1967, the Choir performed Haydn's oratorio, The Creation, in the Brandon College Gymnasium.

The choir elected Murray Ames as President to lead it through its thrid and fourth seasons. In its third season, the WMPC, conducted by Leonard Mayoh, performed Handel's Messiah on 22 November 1967 in the Brandon University Gymnasium. The Choir's spring concert, name the "Chris Verhoef Memorial Concert," in honour of Chris Verhoef who had passed away December 1967, featured works by Bach, Brahms and Perry. Held on 9 March 1968, in the Brandon University Gymansium, the concert featured Brandon university student James Stewart as soloist and was received with great praise. In addition to the memorial concert, the WMPC also established a $500 scholarship for a Brandon University music student to honour Verhoef's substantial contribution to the community.

The first concert of the Western Manitoba Philharmonic Choir's fourth season was held on 10 December 1968, in the J.R.C. Evans Lecture Theatre at Brandon University and featured selections from Handel's Messiah. A piano trio comprised of Francis Chaplin (violin), Malcom Tait (cello) and Gordon Macpherson (piano), as well as a brass trio, also performed at the chori's winter concert. In its fourth season, the WMPC performed two concerts in the second half of its season. On 15 FEbrurary 1969, in cooperation with CKX Radio and Television, the choir performed works by Mozart, Hindemith, and Mahler in collaboration with the Winnipeg Sympony Orchestra conducted by George Cleve. Later in the season, the choir performed Brahms' Requiem Mass, once again in collaboration with the Winnipeg Symphony Orchestra.

Dr. R. Parker filled the position of President of the Executive for the duration of the Choir's fifth, sixth and seventh seasons. The fifth season saw the WMPC performing four concerts. Conducted by Leonard Mayoh, it opened its season on 11 october 1969 with a performance at the Grand Finale of the Grand Opening of the Western manitoba Centennial Auditorium, performing theoverture to Mozart's The Magic Flute and Beethoven's Symphony No. 9. Their Christmas concert, also conduceted by Mayoh, took place on 10 December 1969. The Choir's third concert of its fifth season was held on 31 january 1970, in cooperation with CKX RAdio and Television, and featured works by Mendelssohn, Ravel, and Schubert, in collaboration with

the WSO under the direction of conductor George Cleve. The season concluded with another concert in collaboration with the WSO on 7 March 1970, conducted by Leonard Mayoh. This concert featured works by Vaughn Williams, Handel and Poulenc.

Seasons six and seven consisted of two concerts each. The Choir held its fifth annual Christmas Concert on 5 December 1970. Led by Leonard Mayoh, it performed its spring concert on 10 April 1971 in collaboration with members from the Winnipeg Symphony, featuring selections by Bach and Mozart in the Western manitoba Centennial Auditorium. Into its seventh season, the Choir performed Bach's Christmas Oratorio on 4 December 1971 in the Central United Church. For its final concert of the year, the WMPC revisited a piece that had been the main focus of its second season: Haydn's oratorio, The Creation. The Choir performed this Haydn masterwork on 8 April 1972 under the direction of Piero Gamba.

Helen Riesberry led the choir through its eigth and ninth seasons as President of the Executive. In its eigth season, the WMPC held its annual Christmas concert on 12 December 1972 in collaboration with the Winnipeg Symphony Orchestra in the style of a sing-along led by Mitch Miller. The choir's spring concert featured another masterwork, Beethoven's Missa Solemnis, conducted by Piero Gamba. The WMPC and members of the WSO performed the Requiem Mass on 28 April 1973 at the Western Manitoba Centennial Auditorium. Despite the lack of attendance at rehearsals since the Christmas concert, the WMPC presented an overall effective performance of the challenging Requiem Mass.

In its ninth season, Derek Morphy took over the position of conductor from Leonard Mayoh. Morphy had his debut performance as conductor with the WMPC at the annual Christmas concert on 17 December 1973. In March 1974, in collaboration with members from the WSO, Morphy led the Choir in its performance of Mendelssohn's oratorio, Elijah, in the Western Manitoba Centennial Auditorium. later in the season, the choir performed a concert entitled "Reflections," a choral programme for Lent and Easter, accompanied by organist Arthur Bower.

Nearing the end of its ninth season, the Philharmonic Choir encountered severe financial challenges. The Choir released a notice in the newspaper that the anticipated $3000 grant from the Manitoba Arts Council had been cut to $1000, leaving the Choir $3100 in debt. The notice explained that the Choir needed funds in order to enable operation and continue hiring the WSO for concerts. The WMPC executive and committee held a Leonard Mayoh Night in an attempt to gain funds and donations. Although the Manitoba Arts Council raised thegrant to $2000 and the City of Brandon contributed $500, the Choir's financial situation remained in a dire state as its ninth season came to a close.

The Choir elected Edith Hayden to lead it through its tenth and eleventh seasons as President of the Executive. The opening of the tenth season challenged the WMPC. In addition to its financial woes, the Choir's Executive struggled to overcome the lack of attendance at rehearsals and the shortage of male voices. The WMPC had experienced membership issues in earlier seasons as well. In its third season, despite a membership of 130 individuals, the choir had struggled to create a balanced sound due to a lack of male membership and therefore a lack of lower voices. In its sixth season, the Choir opened their concert year with an appeal for members. In an effort to improve the choir's financial affairs, the Choir Executive and conductor decided against hiring the Winnipeg Symphony Orchestra for the time being. In an attempt to improve the situation, Derek Morphy wrote a letter to the members of the Choir outlining his concern that he may not be meeting their expectations as a conductor but hoped to generate positive and hopeful prospects for the future of music-making together.

The Choir's annual Christmas concert featured a collaboration with the Brandon School Division Music Department and Brandon School Orchestra and Band Association, as well as dancers choreographed by Barbra Enhes. The WMPC performed Haydn's Mass in D minor at its spring concert on 27 April 1975, accompanied by Arthur Bower. By the end of the season, the Western Manitoba Philharmonic Choir's financial situation had begun to improve.

the Western Manitoba Philharmonic Choir's financial situation had begun to improve.

The WMPC hired conductor peter Allen to lead the Chori through its final season of operation. The Choir held its annual Christmas concert in the Central United Church on 7 December 1975, and featured Vivaldi's Glora, accompanied by pianist Barry Anderson. The choir perfomed Deller's Psalm 148, Teleman's Cantata for the Fourth Sunday after the Feast of the Three Kings, and Dvorak's Stabat Mater at its spring concert held at the Central United Church on 25 April 1976.

Despite its best efforts, the Western Manitoba Philharmonic Choir's first rehearsal of its twelfth season saw just 26 members in attendance. As a result of lack of membership, the Choir Executive decided to disband the WMPC for its 1976/1977 season, with plans to reassess the situation in September of 1977 for the prospect of a 1977/1978 season. Matters were further complicated by financial considerations; by June 1977 the choir's financial situation had worsened as a result of the administrative fees that the WMPC covered for the duration of its unexpected inactive 1976/1977 season. Unlike past years, there were not any ticket sales to cover such expenses.

Following its year off, membership interest in the Western Manitoba Philharmonic Choir did not increase and the decision was made not to return for another season. In 1980, the WMPC revoked its registration as an organization and officially ceased to exist.

Custodial History:

Records in the 8-2001 accession were donated to the McKee Archives in 2001, by three representatives of the Philharmonic Choir: Dr. Bill Paton, Botany Department, Brandon University; Mrs. Edith Hayden, WMPC President; and Mary Davidson WMPC Archives Committee. History / Biographical:

Valleyview Leisure Club (VLC) began in April 1978 as a senior's activity group in conjunction with Valleyview Community Centre. The impetus for the creation of the group was a meeting between John Svenson, Regional Director for Westman Seniors, and seniors in the Valleyview area who met to discuss the organization of a seniors club. At the time the club was established, space was limited at the Community Centre because some school classes were held there during the construction of Riverheights School. However, a New Horizons grant enabled the VLC to remodel and furnish the basement area of the Valleyview Community Centre for the Leisure Club. A Grand Opening of the space was held in May of 1980; there was a special luncheon and the offical ribbon was cut by Hon. Ed McGill.

The Valleyview Leisure Club was run by a board and its associated committees and governed by a constitution. Members were charged an annual membership fee, as well as user fees for the various activities. In the early years, the CLub had monthly membership business meetings in conjunction with an evening meal and entertainment. The use of the basement area was varied and included: cards; shuffleboard and other games; craft activities; fundraisers; raffles; dances; and luncheons, dinners and potlucks. The space was also rented out for private functions, particularly special birthdays and anniversary's of community members. The Club made annual contibutions to the parent Community Centre, as well as helping the Community Centre functions (winter carnival etc.)

In the course of time, the activities of the VLC became more focused on cribbage and bridge, with several regular groups scheduled at regular weekly time slots. At the time of the organization's disbanding, the following groups were active: Friday afternoon contract bridge - the "original" bridge group at the Centre; Tuesday afternoon cribbage; Thursday afternoon "Retired Educators" contract bridge - this group had played in vacant space at Neelin School up until around 1989. Its membership was eventually opened up to anyone who wanted to play in that time slot; Wheat City Duplicate Bridge Club - formed in the City as a sanctioned club and had a number of locations around town. When it moved to the Leisure Club, it came as a renter only, but chose in 2012 to join as VLC members; and Monday afternoon duplicate bridge - in an effort to increase the number of duplicate bridge plays, a "beginners" duplicate group was established with lessons, which proved to be a popular decision. The group thrived and most of the Thursday evening playser began to paly at this time also/or instead.

The VLC hosted a Spring and a Fall Bridge Tournament each year, open to anyone, with invitations going to surrounding areas. As well as cash prizes, a cash donation was given to a local charity. In latter years these donations were $500 per tournament. An annual Christmas Dinner was another popular event. It was a catered event, at least in the later years, and was offered at a subsidized price to members. The club also made a donation to Christmas Cheer at this time.

At some point in the organization's history the VLC came to be seen as a tenant of the Valleyview Community Centre, paying a rent of $3000 per year for its use of the basement space, as well as some maintenance expenses. When the Valleyview Community Centre

voted to raise the rent to $12,000 per year within two years, the VLC sought other options.

The VLC settled on Prairie Oasis Senior Centre for a nubmer of reasons. First, it offered to provide space for each of the club's existing card groups at the same time slots with no membership fees. Second, the move would also eliminate the increasingly difficult task of fielding a board of directors to run the club. Finally, the Prairie Oasis location offered the advantage of level access; the basement location of the VLC had excluded several of the club's former members with mobility issues.

Effective September 1, 2014, the Valleyview Leisure Club was dissolved. The club disposed of equipment either by donating it to Prairie Oasis or to Valleyview Community Centre. Once all debts were cleared the Board voted to distribute the cash assets to the following local charities: Big Brothers and Sisters; Food For Thought; Humane Society; Prairie Oasis Senior Centre/Meals on Wheels; Salvation Army; Samaritan House; Seniors For Seniors Co-op Inc.; The Soup Kitchen; Westman Regional Hospital; Westman Hospice; and Y Kids.

History /
Biographical:

Gordon Hume Daly was born on February 1, 1925 in Cartwright, Manitoba. He spent his early years on his parents' farm, taking his primary and high school education in that district. On January 6, 1945 Gordon enlisted in the Infantry Corp, trained at Shilo, Manitoba, and received his discharge in September of the same year. Upon his discharge he registered in second year Arts at Brandon College. He pursued his many interests there - sports (the college hockey team), the literary society, music (the judge in 'Trial by Jury') and was a member of the Honour Society. Upon graduation in Arts in 1947 from Brandon College, Gordon enrolled at United College in Winnipeg and studied Theology. In 1950 he was ordained in the United Church of Canada. His first pastorate was in Brookdale, Manitoba.

Lois Muriel Dickey was born November 4, 1928 to Myrtle and Alvy Dickey who farmed one mile from the town of Crandall, Manitoba. Lois took her primary and high school education (up to Grade XI) in the Consolidated school in Crandall. After graduating from Grade XI with an Isbister Scholarship, Lois registered at Brandon College and for the next four years lived in the residence of Clark Hall. Movies downtown, college hockey excursions, Wheat King games, college dances - all were new and exciting for a young student from a small Manitoba town. Lois registered in the General Science course and in 1948 graduated with a B.Sc. That same year her family sold their farm and moved to Burnaby, B.C.

During the course of the next three years Lois was employed at three firms: Kelly Douglas Ltd., where she worked for a chemist; Canada Rice Mills, where she assisted the engineer and did secretarial work; and finally with Shell Oil Ltd. in Vancouver. During this period she remained in contact with Brandon College, especially with Rev. Gordon Daly, who she married from Burnaby, B.C. on July 12, 1952.

Following her marriage Lois worked with Gordon in the service of the United Church. In 1952, they embarked on a travel and study venture to Edinburgh, Scotland where Gordon furthered his studies in Theology at New College. After two years, Gordon and Lois and their son Bruce returned to Canada to Northwestern Ontario. In this area they ministered to the towns of Balmertown, Cochenour and McKenzie Island. During this time their son Lorne and daughter Marlene were born. In 1963, the family moved to Swan River, Manitoba where son Mark was born. From 1969-1970, the Daly family participated in an exchange ministry to Australia where Gordon served the Australian United Church of Australia in the town of St. Arnaud, Victoria. Most of the 1970's were spent in Thunder Bay, Ontario. The family moved a final time in 1980 when Gordon accepted a call to Calgary, Alberta.

Gordon Hume Daly died on March 7, 1989. Following Gordon's death Lois chose to remain in Calgary, AB.

Custodial History:

Album was in the possession of Gordon Daly until his death in 1989. At that point it passed to his widow Lois Daly. She donated it, along with her own scrapbook, to the McKee Archives on October 18, 2008 while she was visiting Brandon University for Homecoming.

Scope and Content:

Fonds consists of a leather bound photograph album that belonged to Gordon Daly (Class of 1947). It contains approximately 84 black and white photographs of Brandon College students and faculty. A number of the individuals in the photographs have been identified.

Fonds also contains a scrapbook assembled by Lois Daly (nee Dickey), Class of 1948, during her years as a student at Brandon College. The scrapbook contains newspaper clippings, class election paraphenalia, invitations, pressed corsages, graduation documents and cards, invitations, event programmes (hockey, guest speakers, dramatic and musical productions), place cards, exams, chapel programmes, poetry, tickets (hockey, banquet, graduation, movie), a copy of "Trial by Jury" the major production (1946), notices from the Clark Hall boards, 1940 National Registration Certificate, Oscar Peterson's signature, and notes from Sarah Persis Darrach. There are also documents from the 1998 reconvocation of the Class of 1948 at Brandon University. The scrapbook is inside a blue fabric folder tied with a yellow ribbon. A Brandon College (U of M) crest is attached to the front of the folder and there are two track and field ribbons attached to the back inside of the folder.

Notes: All pencil marks in the album were made by Christy Henry during the preparation of photograph descriptions in October 2008. Beryl McLeod helped identify individuals in the photograph album. Description by Christy Henry. History/Bio information was provided by Lois Daly in March 2009.
