## Archibald E. Wilson fonds

<http://archives.brandonu.ca/en/permalink/descriptions4809>

Other Title Info: RG 5 Western Manitoba Manuscript Collection

Part Of: Archibald E. Wilson fonds

Description Level: Fonds

Accession Number: 18-2000

GMD: textual records

Date Range: 1895-1932; 1971

Physical Description: 2 cm

#### History /

#### Biographical:

Archibald E. Wilson was the son of Reverend E.F. Wilson and the husband of St. Clair Vidal Wilson. Rev. E.F. Wilson was at one time in charge of the Shingwauk and Wawanosh Homes at Sault Ste. Marie. Rev. E.F. Wilson moved to Elkhorn, Manitoba in 1888, to establish an educational home for Indian children. He was joined by his son, Archibald E. Wilson who was, in 1890, appointed assistant to the superintendent. A.E. Wilson became Principal of the Indian Industrial School in 1892. His wife served as Matron of the girls departments. Together they had three daughters: E.F. Metita, Winifred St. Clair and Murial Grace, as well as two sons: Edward Vidal, and St. Clair Vidal Wilson.

Archibald Wilson and his family lived in Elkhorn, Manitoba during the years 1892 to 1918 while he was principal. At the beginning of his term as Principal there were 12 students enrolled; enrollment reached as high as 95 students, representing eight different nations. In February of 1918, the government withdrew funding and the school closed. In September of 1918, Wilson left Elkhorn to take up his new position as a clerk at an Indian Reserve near Gleichen, Alberta.

During its years of operation, the Elkhorn Industrial School included an Athletic department, a curling team and a boys' football team. Students studied carpentry, shoemaking, harness making, tailoring, knitting and sewing. In 1893, the school was presented with a large Canadian flag for being the best Industrial School in Manitoba and the Territories. In November of 1893, a brass band was established, which provided music for the local Anglican Church. After a fire demolished most of the school in 1895, Wilson convinced the Federal Department of Indian Affairs to rebuild the school. In 1899, the Elkhorn Industrial School was reopened.

#### Custodial History:

Most of this fonds was at one time in the possession of Principal A.E. Wilson. After Wilson passed away the pieces of the fonds were kept by one of his daughters, Winifred St. Clair Wilson, now deceased. Winifred married Mr. Frank Clark, M.D. and kept the fonds when she moved to Vancouver B.C. and then to Calgary, Alberta. Winifred Clark eventually donated the fonds to the McKee Archives.

#### Scope and Content:

Fonds includes four journals, one testimonial and one newspaper article. The journals include: the '7th Annual Report of the Washakada Indian Homet 1895-1896,' written by Principal A.E. Wilson; 'The Greater Britain Messenger' September and October 1899, which includes the article 'The Elkhorn Home, Manitoba,' 'The National Monthly of Canada' September 1902, which includes the article 'Indian Children at Home,' and the Centenary Number (March-April 1932) issue of 'The Algoma Missionary News,' which includes an article giving information about Rev. E.F. Wilson and his missionary work.

Fonds also includes an article from the November 19, 1971 edition of The Vancouver Sun, entitled "Leisure's Book Reviews," which discusses Indigenous publications in Canada. The testimonial that is included in the fonds, was given to Archibald Wilson upon his departure from Elkhorn. There are 28 subscribers to the testimonial and it is dated September 19, 1918.

### BRANDON COLLEGE BUILDING

The construction of the Brandon College Building, also known as the Original Building, was primarily financed by Mr. and Mrs. William Davies, a Toronto based Baptist meat packer, and his sister Mrs. Emily Davies, also of Toronto, who pledged \$5,000 a year for five years to the new Baptist College. Four city blocks between 18th and 20th streets were purchased for the College campus and the tender of Messrs. T.M. Harrington of Winnipeg was accepted in the spring of 1900; Mr. Hugh McCowan of Winnipeg appointed as architect. Mrs. Davies laid the cornerstone for the Brandon College Building on July 13, 1900.

The Brandon College Building was conceived as a substantial five story brick structure with a stone basement. The Tyndall Manitoba quarries, located thirty miles northeast of Winnipeg, supplied the stone and presented the College with the stone steps at the main entrance. The basement contained the dining room, kitchen, laundry, furnace room, a science laboratory, and maids' rooms. The first floor housed the reception room, office, library, four classrooms and the teachers' cloak rooms. The second floor had five classrooms, a reading room, five rooms for resident students and a resident teacher. Teachers' rooms and seventeen rooms for students comprised the third floor; and additional thirteen rooms for residents took up the fourth floor. The residence was to house 70 men. The total cost of the building and furnishings was \$44,000. The Brandon College Building was ready for occupancy by October 1, 1901.

### CLARK HALL

The cornerstone of Clark Hall was laid by Mrs. A.P. McDiarmid, wife of the Principal of Brandon College, on May 24, 1906. The residence was officially opened on Thanksgiving Day, October 18, of the same year. The construction of the building grew out of a demand for a ladies' college. A canvass made in Eastern Canada had resulted in subscriptions totaling \$10,000. When Dr. McDiarmid reported the results of the canvass to the Chairman of the Board, Dr. C.W. Clark of Winnipeg, Clark proposed that he and his wife be allowed to provide the balance of the funds, some \$30,000. While presenting the building at the opening ceremony, Clark stated that the reason for his donation was his belief in the power of cultured womanhood - he believed "that refined and Christian mothers were the strength of a nation and that he wished to see in Brandon a school of learning for women in which every Christian virtue and grace might be illustrated."

Clark Hall was built immediately north of the Brandon College Building and was connected to it

by classrooms and the iron door with its door bell, which was rung by gentlemen before being admitted. It is a five story brick building, with fittings of imported Georgia pine. In the basement was the gymnasium, studios and maids' rooms. On the main floor was a spacious reception room furnished by the Honorable A.C. Rutherford, the Premier of Alberta and the Lady Principal's suite, furnished by Mrs. N. Wolverston, wife of the treasurer of the College Board. Music studios and the offices of the resident matron were also on the main floor. The second and third floors were dormitories. The fourth floor was meant to be art studios, but due to registration demands, it was divided into students' rooms. The residence was designed to house fifty students and seven teachers. Piano practice areas were also designated on the west side of the building and on the groundlevel half way between the basement and the first floor.

#### BRANDON COLLEGE BUILDING AND CLARK HALL RESTORATION PROJECT

By the early 1990s, it was clear that major reconstruction work on the Brandon College Building and Clark Hall was necessary if the buildings were to remain in use. The alternative was to demolish both buildings and construct a new central administrative structure for the campus. Because of the historic character of the two original campus buildings, the decision was taken to mount a complete restoration of the structures that involved a complete removal of everything except for the surrounding brick facade and the construction of new buildings within the old external walls. This project was financed by the Provincial government of Manitoba, who granted the University approximately 10 million dollars. The Chief Architect for the restoration was George Cibinal. Work began in 1996 and was completed by the fall of 1997. In addition to the restoration of the Brandon College Building and Clark Hall, a new entrance was built on the west side of the buildings, as well as an addition to Clark Hall, which included a skywalk connecting it to the A.E. McKenzie Building.

##### Scope and Content:

Sub-series consists of photographs of the Brandon College Building and Clark Hall.

Notes: History/Bio information was taken from Brandon College: A History, 1899-1967 by C.G. Stone and F. Joan Garnett (Brandon, Manitoba: Brandon University, 1969), chapters 2 and 3. Tom Mitchell provided history/bio information on the restoration project.

### History /

#### Biographical:

Hugh McPherson was born January 25, 1845 at West River, Nova Scotia. He married Margaret Esther Sellers (b. March 18, 1849 at Six Mile Brook, Nova Scotia) on February 5, 1875 at Six Mile Brook, Nova Scotia. The couple moved to Brandon Hills, MB c. 1880. Together they had four children: Georgina (Georgie) Jane; Harriet (Hattie); Johnston (Jack); and Angus.

The couple lived at Watervale, NS until they moved to Manitoba with the Brandon Hills settlers. Hugh travelled to Brandon Hills with the Roddick group in 1879, leaving his wife and three children in Nova Scotia. He selected the N.E. 1/4 of section 10, township 9, range 18 as his homestead. Margaret and the children joined Hugh in 1880.

Situated as it was just north of the river and slightly to the east of the end of the hills, the McPherson home became a stopping house for travellers from the south making their way to and from Grand Valley and later Brandon. The family records show that literally scores of people stayed with the family during the early years. The fee charged for a meal for the driver plus feed for a team was thirty-five cents. Nellie McClung later described the farm and the stopping-house in one of her early books.

Hugh McPherson died at Brandon Hills, MB on March 7, 1916. Margaret Esther Sellers McPherson died at Brandon Hills, MB on July 13, 1935.

In the fall of 1892, Margaret's brother, Angus Sellers and his family arrived at the McPherson home. Included in this party was Margaret's two sisters Jessie Murray and Libby Sellers. The Sellers family remained with the McPherson's until mid-summer of 1893, when they moved to their new farm at Bunclody.

In 1902, after the death of his wife Blanche, Arthur Prowse accepted Margaret McPherson's offer to foster his daughters Winnie and Kitty. The girls stayed with the McPherson's until their marriages; Winnie to Alex Brown and Kitty to Frank Albright.
