10 Mile Dam

<http://archives.brandonu.ca/en/permalink/descriptions13716>

Part Of: Fred McGuinness collection

Description Level: Item

Series Number: McG 9

Item Number: 20-2009.26

GMD: graphic

Date Range: 1900-1924

Physical Description: 4.25" x 2.5" (b/w)

History /

Biographical:

Situated in the R.M. of Whitehead on the Little Saskatchewan River, the 10 Mile Dam was a 14 kilometer transmission line that supplied the city of Brandon with power. The Brandon Electric Light Company built the dam in 1900 and it is considered Manitoba's first hydroelectric power generating station. The dam spanned approximately 80 meters and was constructed from timber and reinforced with clay and stone. The station was decommissioned in 1924.

Scope and Content:

Photograph shows 10 Mile Dam, also known as the Brandon Dam or Minnedosa River Hydro Plant.

Notes: Writing on the back of the photograph reads: "10 mile dam". Biographical information obtained from Manitoba Historical Society.

Name Access: 10 Mile Dam
Ten Mile Dam

David Bovington

<http://archives.brandonu.ca/en/permalink/descriptions4242>

Part Of: RG 1 Brandon College fonds

Description Level: Sub-series

Series Number: 2.4

GMD: textual records

Date Range: 1925-1926

Physical Description: 26.5 cm

History /

Biographical:

Dr. Bovington was born in Gonbridge Wells, Kent County, England on December 2, 1869 to Richard and Emma Bovington (nee Deuch). He came to Canada in 1890. After training for the ministry at Woodstock College and McMaster University, where he graduated in 1899, he attended Rochester Theological Seminary before being ordained in Victoria BC. In addition to Victoria, Bovington held pastorages in Windsor and St. Thomas, ON.

Bovington married his wife Martha Lockhart (1870-1957) in Oxford, ON on January 3, 1900. The couple had at least four children: Richard Dadson (1901-1972), Marguerite Agnes (1902-1975), David L (1904-1953) and Archibald T (1906-1983).

In 1906, Bovington went to Rochester to take his Doctor of Divinity; while there he was an instructor in Systematic Theology and Homiletics. In 1915, he took his Master's in Systematic Theology at the University of Chicago. From 1916 - 1925, Bovington served as the pastor of First Baptist Church, Cleveland, OH.

In 1925, Bovington was asked to become the fourth president of Brandon College. Although he accepted the position his wife and family did not accompany him to Brandon when he arrived in the summer of 1925. Bovington resigned from the Presidency on May 24, 1926, claiming that the pressure of trying to secure funds for the financial support of the school was beyond his strength.

David Bovington died in Cleveland, OH on August 21, 1955.

Scope and Content:

Dr. Bovington was President for only nine months. His collection includes correspondence regarding the Baptist Union of Western Canada, Modernists, and Dr. MacNeill. As well, religious field work is documented. There is quite a bit of correspondence from the Registrar and Bursar regarding student accounts. Fundraising for Brandon College is documented, especially the Davies' Fund campaign and the Endowment Fund campaign. There is quite a bit of correspondence to and from Dr. MacNeill, who was Acting President, from before Dr. Bovington arrived in Brandon and after he resigned.

History /

Biographical:

Situated in the R.M. of Whitehead on the Little Saskatchewan River, the 10 Mile Dam was a 14 kilometer transmission line that supplied the city of Brandon with power. The Brandon Electric Light Company built the dam in 1900 and it is considered Manitoba's first hydroelectric power generating station. The dam spanned approximately 80 meters and was constructed from timber and reinforced with clay and stone. The station was decommissioned in 1924.

Alonzo Archibald Rowe (b. 1862, London, ON; d. 22 Oct 1951, Brandon). The Rowes were considered Brandon area pioneers. Alonzo's father, Alonzo L. Rowe, came to Brandon with his family in 1881, where the family had a furniture and undertaker business on the west side of 10th Street between Rosser and Princess Avenues. In 1885, the family began farming west of Brandon and Alonzo Archibald served as a councilor and then a reeve in the R.M. of Whitehead. He returned to Brandon in 1907 and served with the Brandon Police Department until 1910, when he returned to farming, this time in Arrow River. A.A. Rowe returned to Brandon in 1915 to work as a Provincial Licenses Inspector, a position he held until 1938. (Source: Obituary, Brandon Daily Sun 22 Oct 1951)

Custodial History:

Photograph was in possession of Mrs. Ruby Miles, who passed the image on to Fred McGuinness. McGuinness makes reference to Mrs. Miles and this photograph in his Sunbeams column (Source: F.A. Rosser, "Another interesting chat with a daughter of the plains," Brandon Sun 18 Aug 1981).

Scope and Content:

Photograph shows four fishermen at 10 Mile Dam, also known as the Brandon Dam or Minnedosa River Hydro Plant. The fishermen in the photo are identified as George H. Rowe and his father A.A. Rowe, Dr. Wilfred Bigelow, and Al Collins.

Notes: Writing on the back of the photograph reads: at Brandon Dam, [right to left] son and father - George H. ROWE, Mr. A.A. ROWE, Dr. BIGELOW, Al COLLINS (dam?, 1906?, George born March 1897); Jerrett's Photo-Services, May 7 1938.
