History /

Biographical:

Lawrence Adne Stuckey was born in Brandon, Manitoba in 1921 to Adne and Catherine Stuckey, and was the grandson of a Brandon pioneer family, the Gilmours. Stuckey attended both Fleming and Earl Oxford schools, as well as the Brandon Collegiate Institute. In May 1941, he began working for the CPR as a wiper/fireman. In October of the following year he joined the RCAF. During World War II, Stuckey served overseas as a Navigator/Bomb Aimer and was promoted to the rank of Flight Sergeant. He continued his work with the CPR after the war, and was promoted to fireman/engineer in 1950. Stuckey left the CPR in January of 1958 to purchase Clark-Smith Photo Studio in Brandon.

Stuckey and his wife Mavis, whom he married in 1946, ran the studio until their retirement in the mid 1980s. Throughout his life Stuckey pursued a number of interests, such as botany, history, photography and politics and was active in many local, provincial and national organizations. He was a member of the Brandon Stamp Club, the Allied Arts Council, Brandon Horticultural Society, Brandon Model Railroad Club, the Brandon Historical Society, and the Fort Whyte Centre. Stuckey was also the author of four books, as well as numerous articles on horticulture, railways, and Brandon area history. In 1987 he received the Manitoba Order of the Buffalo Hunt and in 1997 he was awarded an honorary Doctorate of Laws Degree from Brandon University. Lawrence Stuckey passed away on June 13, 2001.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. A portion of the stamp collection was donated to the Archives in August 2001. The balance of the materials were deposited in the Archives following Mr. Stuckey's death.

Scope and Content:

Collection consists of a variety of materials, both textual and graphic.

The philately collection is the largest part of the Stuckey Collection and covers a wide geographical and temporal range. The majority of the stamps are from the United States, the British Commonwealth, France and the French Empire. There are also a number of stamps portraying animals, art and flowers.

The slide collection includes approximately 10,000 images of various topics, such as landscapes, flora and fauna of North America and Expo 1967.

The Stuckey photograph collection is perhaps the best collection of Brandon and Southwestern Manitoba photographs in one place. Images include grain elevators and historical buildings of the northern United States and western Canada, railways, the City of Brandon, as well as ships and boats, sporting activities, portraits, animals, flora and fauna, landscapes and farming/homestead photographs. This series also includes a large number of negatives, including glass plate negatives.

The textual materials within the collection include personal journals written by Stuckey covering the years 1935-2001. These journals are autobiographical and act as a key to the rest of the collection in that they provide general time frames and the motivations behind Stuckey's activities. In addition to the journals, the collection consists of copies of Stuckey's four books and a few papers he wrote for the committees and clubs he belonged to. Other textual materials included are a small amount of personal correspondence, and research materials on a number of topics such as the CPR and Brandon area history. There are also three scrapbooks created by Stuckey dealing with his various interests. The collection also contains certificates presented to Stuckey by a number of the organizations he belonged to, as well as his honorary degree from Brandon University and his Order of the Buffalo Hunt award. A number of books, newspapers and articles on various topics, such as stamp collecting and horticulture are included in the collection.

History /

Biographical:

The Brandon School of Nursing was established in 1921, at the Brandon Hospital for Mental Diseases (hereafter B.H.M.D.). It was first alluded to in 1913, when the Superintendent of the B.H.M.D., J.J. McFadden, recommended it as a means of enhancing the reputation of the hospital. In 1919, the Canadian National Committee for Mental Hygiene released a highly critical report on the state of custodial institutions for the mentally ill in Canada that paved the way for reforms such as the establishment of psychiatric nursing schools. In 1920, the new superintendent, Dr. Charles A. Baragar, in his first annual report, again mentioned the need for trained nurses and instructional facilities in which to train them. Lectures began at B.H.M.D. in October of 1920 for attendants and nurses, but they were not compulsory and were not part of a formal program of studies. This was followed in 1921 with the establishment of the School of Nursing through which courses were offered beginning in 1922. The program consisted of a two year Mental Nurses Diploma Course, and a shorter "demonstrative" course that was required for all employees of the B.H.M.D. who elected not to enroll in the diploma course. The Class of 1923 was the first class of graduates from the Brandon School of Nursing. They were, by all accounts, the first graduates in all of Western Canada with a diploma in Mental Nursing. In 1924, wages at the B.H.M.D. were adjusted to take into account the completion of formal training in psychiatric nursing. In 1925, a short lived affiliation with the St. Boniface General Hospital in Winnipeg, that ended in 1927, was begun. That year also saw the beginning of a graduate studies course. In 1930, the diploma course grew to a three year program. In 1986, as many aspects of the B.H.M.D. - now referred to as the B.M.H.C. (Brandon Mental Health Center) - were phased out in favor of community based care, the B.M.H.C. School of Nursing was incorporated into Brandon University's School of Nursing, which began to offer a 2 year Post-Diploma Degree in Nursing and Mental Health.

Custodial History:

This fonds was accessioned by the McKee Archives in 2000. Prior custodial history is unknown.

Scope and Content:

Sub sub series consists of a collection of records dealing with the history of the School of Nursing at the Brandon Mental Health Centre. The records consist primarily of administrative documentation created by the school dealing with various internal issues, such as student recruitment, graduation services - including an almost complete collection of graduation programs - and records dealing with the behavior of the students. Administrative records also refer to external issues faced by the B.H.M.D. as a whole, such as its burgeoning patient population and the constant problem of adequate accommodations for patients, staff, and student nurses. The collection also includes staff recollections, and correspondence from within and from outside of the B.H.M.D. Also included are documents relating directly to the history of the School of Nursing and of the B.H.M.D. as a whole. A smaller amount of curriculum materials, including instruction manuals, notebooks, and hand-written lecture notes are also included. Publications from within the B.H.M.D., including "The Opinion" from 1970-1990, and the "The Ego" 1956 - 76 (seven editions) are also included, as well as a collection of outside publications dealing with psychiatric nursing, mental diseases, medical ethics, and heredity. Fonds also includes medical dictionaries and handbooks of different nursing institutions such as the Victorian Order of Canadian Nurses. Lastly, the collection includes approximately 880 photographs, 220 negatives, and 26 slides, that provide a graphic portrayal of the history of the Brandon Mental Health Centre.

Notes: A detailed inventory for the textual records exists. An inventory for the photo collection is also available. The description for this sub sub series was written by Mike White (2002).
