History / Biographical:

The Minnedosa Women's Institute was one of the first Women's Institutes in Manitoba. The group was created on November 11, 1910, and was called the Home Economics Society until 1919, when all Home Economics Societies in Manitoba became branches of the Manitoba Women's Institute. The first president of the Minnedosa Women's Institute was Mrs. Andrew Boyd. Some early projects of the group included building a rest room and the maintenance of a country women's ward in the Minnedosa Hospital. The group also worked for the war effort during both world wars, including sewing and knitting, as well as sending clothing and food overseas. During the 1920's, the Institute held a number of baby clinics, and during the 1930's, opened a lending library. The Institute also participated with other community projects and groups such as 4-H and the film council. The Minnedosa branch is no longer active, however the Basswood Women's Institute is active in the Minnedosa area.
