History /

Biographical:

The project originated in the summer of 1987 at Brandon University. It was undertaken by several Brandon University students under the guidance of Dr. William R. Morrison and Dr. Ken Coates, both professors in the Department of History. From the perspective of all involved, research and future publication were the original aims of the project. The intention was to produce a combination of documentary and oral history of the Brandon region during the Great Depression, including an extensive study of Brandon College. Initially, an outline and project summary was presented to Manitoba Heritage Grants Program for consideration and after being chosen as a recipient for the grant, regular reports on research progress were submitted. The project was discontinued at the end of the summer due to a lack of funding and availability of the researchers.

Custodial History:

The records were held in the custody of Dr. Morrison until his departure from Brandon University in 1989. At this time, the records were given to Tom Mitchell, who donated the entire project to the McKee Archives, where they were accessioned in 1997.
