Robert Troy Blair fonds

<http://archives.brandonu.ca/en/permalink/descriptions13300>

Part Of:	RG 1 Brandon College fonds
Description Level:	Sub-series
Accession Number:	18-2013
GMD:	multiple media
Date Range:	September 1950 - June 1954
Physical Description:	2 scrapbooks (7.5 cm)
Physical Condition:	Excellent

Robert (Bob) Troy Blair was born on March 11, 1930 in Brandon, MB. His first six years were spent in Alexander, MB, where his father and uncle operated a grocery store. In 1936, his family moved to Souris, MB, where his father ran a grocery store. Blair received his primary and high school education, with the exception of Grade 12, in Souris.

Blair remembers his school years in Souris as mainly happy years. He was involved with both piano and organ music lessons. He was never interested in physical sports with the exception of golf. World War II broke out in September of 1939. Souris became the site of #17 SFTS and home base for the British Commonwealth Air Training Plan. Many of the service men came from England, Australia and New Zealand. Blair's mother always entertained at least two for dinner every Sunday. Rationing of sugar, tea and coffee, butter and meat became a way of life. Blair had the job every Saturday of pasting the ration coupons into booklets. It was also when he was in Grade 6, that Blair realized he was more attracted to boys than to girls. Perhaps it was because so many attractive airmen surrounded him!

In November of 1947, the Blair family relocated to Alexander where Bob Blair finished his Grade 11. This was not a good year due to bullying. In September of 1948, Blair moved to Winnipeg to attend United College for his Grade 12. Upon completion of Grade 12, Blair remained in Winnipeg until June 1950. He worked at a number of businesses - Gestetner, Eaton's Mail Order shoe department, Maple Leaf Milling, and the drug store in the Medical Arts Building. In September 1950, he entered Brandon College. Blair was very active in extra-curricular affairs while at Brandon College; particularly drama. Following his B.A. he enrolled in the Education Faculty, having decided to become a teacher.

Blair's teaching career spanned 34 years. All but one year was spent in the Brandon School Division. On his first day of teaching in the Division he met the man with whom he would spend the next 46 years. He was primarily a teacher of English and Music. A highlight of his career was exchange teaching in Sacramento, California in 1961. Orientation for exchange took place in August in Washington, D.C., where Blair had the opportunity to meet President J.F. Kennedy. He vividly recalls the morning that JFK was assassinated on November 22, 1963. In September 1965, Blair assumed the principalship of Park School and in September of 1969, the same position at George Fitton School where he remained until his retirement in 1989. He was a member of the Brandon Principals' Association, the National Association of Elementary School Principals, and served as President of the Brandon Teachers' Association. Among his major accomplishments during his time as principal were the introduction of a centralized school library in both Park and George Fitton Schools and the integration of special needs students into regular classroom situations wherever possible. He was made a Life Member of the Manitoba Teachers' Society (Brandon) in June 1990. Following his retirement Blair worked as a Library Automation Consultant (1989-1993).

Blair also had numerous community involvements during his time in Brandon. He was active in the Brandon Little Theatre (Best Actor Award, Manitoba Drama Festival for One Act Plays in 1963), the Brandon Festival of the Arts, the Eckhardt-Gramatte National Music Competition, and Arm Industries to name a few.

Following the death of his partner in 2001, Blair moved to Saskatoon to live with a younger gay couple. He has been active in volunteerism: as an Ambassador for the Saskatoon Airport Authority, assistant with the Saskatoon Health Region's Immunization Clinics, information clerk for the Festival of Trees, data entry clerk for the Saskatoon Music Festival, on the Board of the Saskatoon Jazz Society, and Hospitality Coordinator for the Saskatoon Jazz Festival.

As of October 2013, Bob Blair continues to live in Saskatoon, SK.

Custodial History:

Records were in Blair's possession until he donated them to the McKee Archives on Homecoming weekend October 2013.

Scope and Content:

Fonds consists of two scrapbooks containing 145 photographs and ephemera (play and graduation programs, tickets, pins, newspaper clippings) documenting Bob Blair's days at Brandon College. Social events and extra-curricular activities are heavily featured in the two scrapbooks. Also included are graduation portraits for the Classes of 1951, 1952 and 1953. Of the 145 photographs all are black and white except for two photos of the Class of '53 reconconvocation (May 1993), and one from the Class of '53 reunion (2003).

Date Range: 1951-2005

Physical Description: 10.5 cm textual records
 18 loose photographs

Physical Condition: Some of the pages and photographs in the scrapbooks have become loose

History /

Biographical:

Verda Joan McDonald (nee Peden) was born in Brandon, MB on May 2, 1934. She was the middle daughter of Bill, a school principal, and Phyllis Peden. McDonald attended school at King George, Alexandra (now Betty Gibson), Earl Oxford and Brandon Collegiate Institute.

In 1951, McDonald enrolled in the Bachelor of Arts program at Brandon College. A fellowship program from the local YMCA enabled her to teach gym and swim programs after school and on Saturday for a small salary, which enabled her and some other students to finance their education. She graduated in 1955 with a Bachelor of Arts degree. During her graduating year, McDonald served as Lady Stick for Brandon College; the title of Lady Stick was an elected position and an honour, and gave McDonald and the person elected Senior Stick, Frank McKinnon, the responsibility of leading the student council for that year. In 1956, McDonald obtained her Bachelor of Pedagogy degree, also from Brandon College, which allowed her to teach grades 1 to 12 in Manitoba.

Verda married her college sweetheart, Dick McDonald, on August 25, 1956, and the couple moved to Dauphin to teach at the Dauphin Collegiate and Technical Institute for two years. They returned to Brandon in September 1958, and Verda proceeded to teach at Brandon Collegiate, Neelin High School and Vincent Massey until December 1960.

When Dick finished his degree at Brandon College and started teaching, Verda stayed at home to raise their three sons, Rick, Paul and Daren. During this time she began her many years of volunteering within the community. She served seven years on each of the following three boards: The Brandon Schools Instrumental Music Association; The Brandon University Alumni Board; and The Board of Fairview Nursing Home. She became President of each board during her term.

McDonald supported her husband throughout his teaching and financial career, as well as his strong involvement in the Artillery Reserve Army with the 26th Field Regiment where he served as Commander and later Honorary Colonel. Both McDonald and her husband maintained strong ties with Brandon University and have contributed generously to funding campaign and scholarships. The Sports Wall of Fame in the Health Living Centre on the Brandon University campus is named in their honour.

In addition to their involvement with Brandon University, the McDonald's were members of the Kinsmen, K40 service club, gold and bridge clubs and enjoyed many years together in Brandon. They enjoyed going on cruise ship holidays and visited many countries together.

Since Dick's death in September 2015, Verda has tried to maintain her involvement in university activities. She continues to reside in Brandon, MB.

Custodial History:

Records were created and collected by Verda McDonald during her years as a student and alumna of Brandon College/Brandon University. The records were stored in her home until their donation to the McKee Archives in 2015.

Scope and Content:

Collection consists of records dealing with Verda McDonald's experiences as a student and alumna at Brandon College/University. The majority of the collection contains records from the early 1950s during McDonald's college years (1951-1955). These records, which cover the social and athletic aspects of Brandon College in the 1950s, provide a detailed look at college student life during this time period. The collection also contains a small number of records (1955-2005), documenting McDonald's experiences as an alumna of Brandon College/University.

The collection consists of four scrapbooks, which contain photographs, newspaper clippings, graduation cards, lyrics for class songs, and programs for graduation banquets, school dances, graduation ceremonies and drama productions. The scrapbooks also contain ephemera such as sports emblems, table decorations, election paraphernalia. It also includes McDonald's oath of office from when she was sworn in as Lady Stick, as well as her acceptance speech from the same ceremony.

The three file folders in the collection include: a list written by Frank McKinnon, a classmate of McDonald's, outlining his reasons for coming to Brandon College and his recollections of being a student at Brandon College; the rules of Clark Hall residence hall; and pamphlets for various celebrations and events at Brandon University (Homecoming 2009, Homecoming 2006, Reunion Weekend 2005, Reunion Weekend 2004, Homecoming 1995 and 1995 Reconovocation program, Homecoming 1980, 1975 Open House).

Finally, the collection contains 18 loose photographs. A number of the photos document important reunions for the Class of 1955 (40th Anniversary in 1995, 50th Anniversary in 2005), while others were taken at alumni events over the years (1988-1997). There is one postcard of Brandon University buildings (Original Building and Clark Hall, McMaster Hall and the Queen Elizabeth II School of Music building). Some of the 1995 reunion photos include images of the Brandon College Building and Clark Hall under renovation. Also included are a composite portrait of the Class of 1955 and class portraits Arts and Science for the Class of 1960.

History /

Biographical:

The Quill was established in 1910, and is the second oldest student newspaper in western Canada. It was also the first student run publication at Brandon College. The December (Vol. I, No. 1) edition states that "the demand for such a paper [had] been steadily increasing until at last some definite steps towards bringing one into existence became absolutely necessary." The first step was the election of a committee by the Literary Society to look into the possibilities of the project and report at a special meeting. Following the acceptance of the committee's favorable report, another committee was appointed to outline a policy and nominate officers and staff.

The inaugural staff of the Quill, "having examined the reasons for the discontinuance of the Brandon College Monthly some years ago, [found] that these have been to a large extent removed by the development of the College in the intervening years." They felt that the "student

body [had] grown to such an extent that the problem of getting sufficient material for a paper, as well as the financial difficulty, [had] been appreciably reduced." For them, this development "not only justified but demanded the advent of a College paper." The creation of the Quill was also influenced by the awareness of the students involved that their college was in a state of constant change. They felt that they "[could not] allow this important period of [their] College history to pass away and be forgotten." The newspaper enabled them to record the growth and changes on campus for the benefit of the students and friends of the College.

Originally the publication of three editions of the Quill, i.e. Christmas, Easter and a special graduates' number, were planned; the policy on the limited number of issues was to allow the Quill and its staff time to establish themselves, with the aim of expanding into a monthly paper as soon as it was thought advisable to do so. In 1911, the Quill was printed quarterly, with the first three issues of the school year consisting of student publications and professors writings, as well as containing various columns on campus activities. The final issue of that year, and subsequent years, was called the Commencement Issue, and it contained a brief biographical sketch of each member of the graduating class.

In 1927, the Quill was split into two separate entities. In the April edition (Vol. XVI, No. 11), the editorial staff wrote that the Quill's "... function and the efficiency with which it has performed that function in the immediate past are ... doubtful. The present management realize this and feel that the "Quill" as conducted at present can assume neither the utility of a newspaper nor the intrinsic value of a year-book." Subsequently it was decided to publish a fortnightly, or bi-weekly newspaper, which retained the title of "The Quill," as well as a new publication, named The Sickle, which was to act as a yearbook. This decision was also influenced by the belief that by creating a separate newspaper and yearbook "Brandon College [would] then be on a similar basis in this respect as her sister institutions throughout the Dominion." Although the Quill has occasionally ceased production (for a week or two at most) throughout its history, usually due to a lack of student participation in its production and/or financial troubles, it has continued to be published as a newspaper since 1927.

In 1933, the Quill was presented in an entirely new form. Weekly, for three issues a month, a bulletin was published, with a fourth and more substantial issue at the end of the month. The introduction of the new broadsheet form was an attempt to "reduce stale news" and allow the publication to operate with a "greatly reduced budget." The broadsheet format of the Quill was abandoned in 1934-1935.

Further changes were introduced with the January 15, 1963 (Vol. 53, No. 6) edition of the Quill. In the editorial section of that issue, the staff commented that "the Quill has remained as it is, in size, pattern and almost in content for the last fifty years!" In response, they introduced a weekly Quill (the Quill was first published as a weekly in 1937) and proclaimed that "we find the miserly, pamphlet-sized, shrunken-like Quill no more. In its stead, a fully-grown, broad-shouldered, new Quill has risen." Changes included the creation of the Feature and Intersivity sections, with their own editors, a definite format in the 'lay-out' of articles, and the 'set-up' of pages, as well as a basic and overall reorganization of the Quill staff.

In September 1969 (Vol. 60, No. 1), Acting Editor Tom Brook and the Quill staff clarified the position and purpose of the Quill as follows: "The primary purpose of the Quill is to bring to the attention of the students of Brandon University the issues and events that have direct implications on the lives of these people. We do and will continue to editorialize in our reporting. It may be not as strong as that seen in the past. But the Quill staff does feel that subjective evaluation of events after the case has been put factually is valid, and this shall be a policy that will be adhered to during the coming year." They also took a moment to point out that the Quill, although a student press, was not a commercial newspaper. Furthermore, they wanted "to see the Quill move closer to the concept of the bourgeois press but not so close that it loses its identification with students and the issues that concern them."

By 1971, the Quill had adopted the statement of principle of the Student Press in Canada as

outline in the Resolutions of the Canadian University Press. Printed on the front page of the September 24 edition, the Quill stated the following policy: It is "... our belief 'that the major role of the student press is to act as an agent of social change, striving to emphasize the rights and responsibilities of the student citizen', and 'that the student press must in fulfilling this role perform both an educative and an active function.'" The policy went on to declare that the Quill, as an alternative press (an alternative to the commercial press), rather than a newspaper, was "limited to presenting news which the commercial press does not handle and to providing news analysis." The democratic nature of the Quill was also clearly stated in the policy.

The structure of the Quill was altered again in 1984, when an editorial board was instated, replacing the previous editor-in-chief system (although in most cases there was more than one editor in any given year). This board was to function as an organizing unit, with the collective electing officers for a one year term. The collective was made up of members, who had to contribute something to the Quill in one out of every three issues, in order to vote. Contributions included actual content for the paper, production, typing, photography work, office clean-up, or anything else that helped the Quill function. The central concern of the Quill, at the time of these changes, was to represent the "wide variety of social issues which interest Brandon University students." (September 27, 1984). The 'wide variety of social issues' was expanded upon in the September 3, 1987 edition of the Quill's editorial section: "A major purpose of THE QUILL is to provide the community with news and information pertaining to local, regional, national and international issues of concern to students."

By 1993, the Editorial Board was comprised of the News Editor, the Co-ordinating Editor and the CUP Editor and was responsible for the direction and content of the newspaper each week. By 1996, the CUP Editor had been replaced by the Business Manager on the Editorial Board. Clarifying its relationship with BUSU in the November 18, 1996 edition, Co-ordinating Editor Stacey Brown quoted the Quill Constitution: "The Quill collective shall determine and regulate editorial content and policy and shall set such perimeters on acceptable advertising as it shall collectively see fit. Debate and reasonable documentation must be given before boycotting anything in the newspaper." She went on to state that "final decisions on most issues are made by the Editorial Board. . . ." The position of Editor-in-Chief was reintroduced sometime around 2001.

Throughout its history, the Quill has been a quarterly, a bi-weekly and a weekly publication. It has been printed in various formats, by a number of different companies and has been financed primarily through funding from BUSU, and at present, advertising and a student levy. In 1997, the Quill became one of the first student newspapers in Canada to produce the paper in a completely digital format.

The Quill has been located at a number of locations on campus. Its first home was at the base of the Bell Tower in the original Clark Hall. In the 1970s it was produced in a mobile trailer near the gymnasium, before moving to the former Students' Union office in the lower level of the McMaster Building in 1980. Finally in 1991, the Quill was moved to its current location on the second floor of the Knowles-Douglas Student Centre.

At present (January 2007), the Quill continues to be a member of the Canadian University Press (CUP), and as such is provided with feature articles, news, graphics and fieldworker assistance. The Quill adheres to the CUP Statement of Principles. As a democratic collective, the Quill is open to all students and staff at Brandon University. An autonomous corporate entity since 2005, the Quill is a student run publication; the articles, editing, layout and distribution are done by the students.

History /

Biographical:

Lawrence Adne Stuckey was born in Brandon, Manitoba in 1921 to Adne and Catherine Stuckey, and was the grandson of a Brandon pioneer family, the Gilmours. Stuckey attended both Fleming and Earl Oxford schools, as well as the Brandon Collegiate Institute. In May 1941, he began working for the CPR as a wiper/fireman. In October of the following year he joined the RCAF. During World War II, Stuckey served overseas as a Navigator/Bomb Aimer and was promoted to the rank of Flight Sergeant. He continued his work with the CPR after the war, and was promoted to fireman/engineer in 1950. Stuckey left the CPR in January of 1958 to purchase Clark-Smith Photo Studio in Brandon.

Stuckey and his wife Mavis, whom he married in 1946, ran the studio until their retirement in the mid 1980s. Throughout his life Stuckey pursued a number of interests, such as botany, history, photography and politics and was active in many local, provincial and national organizations. He was a member of the Brandon Stamp Club, the Allied Arts Council, Brandon Horticultural Society, Brandon Model Railroad Club, the Brandon Historical Society, and the Fort Whyte Centre. Stuckey was also the author of four books, as well as numerous articles on horticulture, railways, and Brandon area history. In 1987 he received the Manitoba Order of the Buffalo Hunt and in 1997 he was awarded an honorary Doctorate of Laws Degree from Brandon University. Lawrence Stuckey passed away on June 13, 2001.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. A portion of the stamp collection was donated to the Archives in August 2001. The balance of the materials were deposited in the Archives following Mr. Stuckey's death.

Scope and Content:

Collection consists of a variety of materials, both textual and graphic.

The philately collection is the largest part of the Stuckey Collection and covers a wide geographical and temporal range. The majority of the stamps are from the United States, the British Commonwealth, France and the French Empire. There are also a number of stamps portraying animals, art and flowers.

The slide collection includes approximately 10,000 images of various topics, such as landscapes, flora and fauna of North America and Expo 1967.

The Stuckey photograph collection is perhaps the best collection of Brandon and Southwestern Manitoba photographs in one place. Images include grain elevators and historical buildings of the northern United States and western Canada, railways, the City of Brandon, as well as ships and boats, sporting activities, portraits, animals, flora and fauna, landscapes and farming/homestead photographs. This series also includes a large number of negatives, including glass plate negatives.

The textual materials within the collection include personal journals written by Stuckey covering the years 1935-2001. These journals are autobiographical and act as a key to the rest of the collection in that they provide general time frames and the motivations behind Stuckey's activities. In addition to the journals, the collection consists of copies of Stuckey's four books and a few papers he wrote for the committees and clubs he belonged to. Other textual materials included are a small amount of personal correspondence, and research materials on a number of topics such as the CPR and Brandon area history. There are also three scrapbooks created by Stuckey dealing with his various interests. The collection also contains certificates presented to Stuckey by a number of the organizations he belonged to, as well as his honorary degree from Brandon University and his Order of the Buffalo Hunt award. A number of books, newspapers and articles on various topics, such as stamp collecting and horticulture are included in the collection.
