History /

Biographical:

George F. MacDowell was born in 1913, in Prince Edward Island. He studied at Dalhousie University from 1930 to 1933, but did not complete a degree. During WWII, MacDowell served in Canada and Europe as a member of the Royal Canadian Signals Corps. After the war, he returned to Dalhousie University, graduating with a B.A. in 1947. Subsequently, he graduated with a Masters Degree in Economics from Clark University in Worcester, Massachusetts. George MacDowell taught at both Mount Allison University and the University of Alberta before coming to Brandon in 1957 to teach at Brandon College. He remained as a professor in the Economic Department until his retirement in 1979.

MacDowell's work was published in the Canadian Journal of Economics and Political Science. In 1971, McClelland & Stewart published his account of the Brandon Packers strike of 1960 titled "The Brandon Packer's Strike: A Tragedy of Errors." In Brandon, MacDowell maintained a relationship with the local Association of Fire Fighters, aiding them with collective bargaining procedures. He also served as Chairman for the MacKenzie Seeds Board, and was a member of the Manitoba Development Corporation Board.

MacDowell never married and had no known children. He passed away on February 26th, 1986.

Custodial History:

This collection was in the possession of George MacDowell until his death. It was then held by the Brandon University Department of Economics until 1997, at which time it was transferred to the McKee Archives at Brandon University.

Scope and Content:

The bulk of this fonds falls into five main categories:

1. Records dealing with the Brandon Packers Strike of 1960 and the subsequent legal actions against the owners, including all 2215 pages of the Brandon Packers Strike Commission;
2. Records dealing with the Commission of Inquiry into The Pas Forestry and Industrial Complex, including the complete transcript of the inquiry measuring approximately 5m. This Commission dealt with the conduct of Churchill Forest Industries, a company owned by a Swiss financial firm, which, in the 1960's, was given approximately 93 million dollars by the Roblin Provincial Government to develop The Pas Forestry and Industrial Complex. Churchill Forest Industries and its parent company subsequently came under suspicion of fraud and accused of fraudulently transferring The Pas Forestry funds into other foreign business interests;
3. Records dealing with business loans awarded by the Manitoba Development Corporation during the 1970's and 1980's to businesses primarily within Manitoba;
4. Records dealing with McKenzie Seeds, and McKenzie Steele-Briggs Seeds during the early 1980's when George MacDowell was a board member of McKenzie Seeds;
5. Records dealing with Professor MacDowell's career as a Professor at Brandon University, including records relating to his courses and to administrative activities.

To a lesser extent, this collection includes records dealing with the University of Saskatchewan College of Commerce, the publication the "Manitoba New Democrat," issues associated with politics, labor and union in the prairie provinces from the 1960's to the 1980's, articles from various economic periodicals including "Economica" and "Public Finance," a variety of government reports from 1941 to 1981, and records dealing with George MacDowell's relationship with the Brandon Firefighters Association.
