History /

Biographical:

This wedge-shaped tract of woodland was located west of 34th Street on the south side of the Canadian Pacific Railway. It was formerly owned by the Great Northern Railway, and was acquired by the CPR when the GN line was abandoned in 1936. In 1978 Marathon Realty (CPR) sold this 7 acre property to a developer who planned to build condominiums. However this residential development was objected to for two reasons: [The proposed location] was home to many species of flora & fauna, and it was too close to the CPR mainline. Local residents took out a petition against the development. [Mr. Stuckey] wrote a letter to the editor of the Brandon Sun, [expressing the] attitudes of CPR officials, and read a statement to the Provincial Planning Board suggesting development be refused and the area become an undeveloped park. These efforts would prove successful - see file on same.
