

## Christmas Bulletin

Nineteen - Thirty - four.

### MERRY CHRISTMAS, EVERYBODY!

Your Executive wishes to take this opportunity of extending to all the members of the Association, their wives, husbands, and families, the very best of wishes for Christmas and the New Year. Inasmuch as an executive is supposed to speak for the entire membership of an organization, may this expression at this season of the year be looked upon as carrying the good wishes of everyone to all the rest within the ranks of Brandon College alumni. Or as Tiny Tim would put it, "God bless us every one."

In the meantime, the very best of wishes from each to all for Christmas and the New Year.
