The first break in the ranks of the first Graduating Class of Brandon College, that of 1902, occurred on November 20th, 1933, in the death of the Reverend H. B. Cross. Mr. Cross went to India as a Missionary in the year of his graduation.

By chance, the memorial service held in his honor in his church in Toronto fell on November 26th, a day set aside as Brandon College Sunday in all Baptist Churches from Quebec to British Columbia.

A letter of unusual worth has come from Mrs. Cross to the Executive of the Alumni Association. Her husband's love for Brandon College continues to live in her. The Association extends to her its deepest sympathy and wishes to tell her of the deep esteem in which her husband was held by all members of the Alumni whose privilege it was to know him.

A MATTER OF INTEREST TO ALL

As a matter of policy we have endeavored to keep the Bulletin free from financial matters, but the results of our recent "Every Member \$2.00 Drive" would seem to fall very definitely in the category of news. Therefore, may we report that a cheque for \$170.00 has been sent to the College from the Association as a result of our efforts, in addition to a contribution of \$100.00 made by one of those whose names appear below during the course of our drive. The College is deeply appreciative of this assistance, and the executive of the Association is grateful for the spirit of the donors, as expressed in many interesting letters.

May we list herewith the names of those from whom contributions has been received. We do this to save the expense of sending out individual receipts. The amounts credited vary from \$1.00 to \$10.00, except for the \$100.00 amount suggested above.

We would like to pass on comments from many of the letters received from the above, but of course space does not allow. But here is an interesting sample from Mount Vernon, Manor Way, Purley, England: "The College must be hard up if you ask for only two dollars. Here's ten, and that's little enough. Brandon College always gave me five-fold. Yours Sincerely, Victor Coen ('16)".

If you intended to respond to that appeal when it came to you, but simply neglected to do so, we are still open for contributions.

MEETING OF THE TORONTO CHAPTER

Brandon College graduates, former students, and faculty members living in Toronto gathered on Thursday evening, March 1st, to meet Dr. Evans. About thirty enjoyed dinner together, after which each one was asked to rise in turn and introduce and tell something about the person on his right. This proved very interesting and was no doubt a safer proceeding than allowing each one to start talking about himself. Dr. Evans then reported on affairs at the college at present, and hopes for the future.

"There is no doubt that the school occupies a very warm place in the hearts of those of us who are some distance and even some years away from her and that we all hope for her continued existence. Before leaving we all joined in singing Hail Our College, and followed it with Hippi Skippi". Thus concludes the despatch from our "Toronto reporter".

Those present included Dr. Evans, Miss Whiteside, the first Lady Principal of Clark Hall, Miss S. Moyle, Miss Eva Cline, Mrs. R. H. Brotherhood, Ernest Clark, Christopher Riley, Harold Batho, Alberta Griggs, Saul Cohen, Kay Robertson, Murray Brooks, Robert Kerr, Edith Batho, Evelyn Strachan, Ernest Shaw, Bus Holstein, Jack Mutter, Campbell McNeil, Helen Mann, A. W. Derby, Alys Hunter, Don Smith, Marianne Scott, Bill Bigelow, E. M. Dutton, Helen Cline Cross, and Zetta Greenwood Latimer, and Messrs. Cross and Latimer.

We are sorry to learn of the serious illness of Stewart Perdue, '28, in Chicago. Stewart went south last fall, after five years of teaching in Brandon College, to pursue graduate studies in geology. In March he was taken with inflammatory rheumatism, and its effect upon his heart has been such to put him on his back for some considerable time. Stewart writes very interestingly of the specialized attention he is receiving. We extend to him our very best wishes for his speedy and thorough recovery. For the benefit of those who would like to write him, he can be addressed C/o Gamma Alpha, 5731 Kenwood Avenue, Chicago, Ill.

There is to be a meeting of the Board of the Baptist Union of Western Canada in Brandon on Saturday, May 19th, as a result of which we are earnestly hoping that the immediate future of the college may be made more secure. The way in which our Alma Mater has weathered the storms of these past few years cannot help but inspire in our hearts a distinct sense of pride.

We hope that this bit of space at the end will make some of our members, possibly you, feel badly at having neglected to send in those interesting items of news. We might have inserted our supply of "Rumors, Possibilities and Probabilities" at this point, but said column is much too lengthy. Let's hear from you at any time.

Ross Vasey, '31, has been appointed principal of the Isabella School.
