

BRANDON COLLEGE ALUMNI ASSOCIATION

Bulletin

February, 1937

- PROLOGUE -

The responses to our request for news have been numerous and enlightening, and it is with regret that we have found it necessary to omit a great deal of interesting information in this Bulletin in order to include everyone. Further news for our spring bulletin will be greatly appreciated.

-- BRANDON CHAPTER REORGANIZED -

A Brandon Chapter of the Alumni Association was organized on June 8th, 1936. It elected as its executive Lawrence Skeoch, '32, President, Mrs. A. R. McDiarmid, '23, Vice-President; Beatrice Clendenning, '21, Social Convenor and Phyllis Cannon, '35, Secretary-Treasurer. Since the formation of the unit, Lawrence has left the city, and Evan Whidden, '21, took over his duties. The principle aim of the chapter is to raise money in aid of the College. To date, \$101.00 have been raised by means of a tag-day and other enterprises. Three very successful social functions have been held and plans are underway for bigger and better things in the future. It is our hope that similar chapters may be organized by groups in other centres throughout Canada.

The College is carrying on this year with an increased enrolment. The teaching of evening courses to school teachers and others has proven to be a highly successful experiment this year, and Extension Lectures were given for the general public during November, December and January. Our Alma Mater is slowly but surely extending her influence in Western Manitoba, and we give her and Dr. Evans our heartiest support and good-will.
