

Brandon College,  
Brandon, Manitoba,  
February 20, 1943.

Greetings, fellow members of the Alumni and former students of Brandon College! We hope you enjoy reading the information we have gathered for you, and that you will think of your Alma Mater at least once in a while. You are often in our thoughts and we want you to know that our very best wishes go with you wherever you are called upon to serve.

Just as you are interested in hearing news from home, so we at home are interested in hearing from you. We are planning to hold our annual Alumni gathering early in May this year and would like very much to have a word from you. Why not sit down right now and drop us a note - tell us a little of what you have seen and some of the interesting experiences we know you must be having (consistent with censorship regulations). Remember that even if you are not an Alumnus, we shall be glad to hear from you. Please do write us now, as I am sure you will appreciate that it does take some time to get letters across the good old Atlantic.

With best wishes,

Yours sincerely,

*Kathryn Campbell.*

Sec.-Treas., Brandon College Alumni Association.
