THE NEW LOOK

We think you might be interested to learn something about the Faculty at Brandon College this year, also about some of the changes in Brandon College and Clark Hall. First things first, - Dr. Evans, who worked on a very restricted schedule this year, was able to teach the last term and seems very much himself as he guides preparations for Commencement on the 20th of May.

Greatly missed in the Halls are Dr. and Mrs. W. L. Wright, now residing permanently at Robson, B. C. Dr. Wright was recently an Adjudicator in British Columbia Young Artists Guild competition. While in Vancouver he was entertained by the Brandon College Music Alumni.

Also missed very much is Dr. Turnbull who is now residing in Trinidad where she is teaching.

We are pleased to report that Prof. Foster who was quite ill at the close of this term is making favorable progress. Through this bulletin, may we let Mr. Foster know that he has many well-wishers.

Faculty and Staff members familiar to many of us are Mrs. Darrach, Prof. Birkinshaw, (mathematics) Prof. Perry (English), Prof.

Bexton (Psychology), Mr. Thordarson (Dean of Grade XII), Wes Wong (Physics), Earl Savage (Economics), and Dr. Kidd (Chemistry) Mrs. Darrach is planning a trip to Ireland this summer.

Now Appointments of interest were:

Dr. H. S. Pordue - Dean of Arts and Science

~~D. R. MacKay '40 - Bursar-Registrar.~~

~~Miss G. MacNeill - Professor of French.~~  
~~After service with the R.C.M.F., W.D.s~~  
~~Miss MacNeill did post graduate work at the Sorbonne in Paris, France and then to Brandon College. She is a graduate of Acadia and McGill.~~

R. M. Simmons - Professor of Sociology and Philosophy. Mr. Simmons was a Chaplain with the R.C.M.F. during the war. He has the B.A., B.Th., and B.D. degrees from McMaster University - one year of post-graduate study in Edinburgh, and two years post-graduate study at Union Theological Seminary, New York from which institution he received the S.T.M. degree.

Clifford Kitson '46, teacher of Junior Chemistry and Physics. Cliff was Residence Master this year.

Don Mitton - Instructor in History. Mr. Mitton is from Moncton, N. B. and is a graduate of Acadia. He has more recently come from the University of Minnesota where he completed a language course on his Ph.D. He also assisted in the Dept. of History there.

Mrs. N. D. Middleton is the new dietitian She follows Miss Jean Duncan who is in Winnipeg and keeping in touch with Brandonites.

We will be sorry to lose Miss Busby, Librarian and teacher of French, who is leaving the end of this term.

Have you visited Brandon College lately or did you know that the Library is now just off the Chapel on the right-hand side and that across from it is a reading room? The room where the Library used to be, in the south-west corner, is now a class-room and directly beneath it in the basement is the new Canteen where you may always enjoy coffee and doughnuts or sandwiches with the gang, and served by Mrs. Middleton or one of the girls. Do come and visit at the College next time you are in Brandon.

Our sincere thanks are extended to Betty Knowlton, Muriel Cumming, Alixo MacNaughton, and Gwen MacKay who have spent so much time and energy in preparing this Bulletin.
