EDUCATION BUILDING - A WORTHY ADDITION

The proposed New Education Building is to be located on the campus between Clark Hall and the Music Building. It is designed to provide the most up-to-date facilities for teacher training and continuation studies. The building is designed for an enrolment of 300 students and will be three stories high. Provision in the structure for a future fourth floor allows for substantial expansion as the enrolment grows.

The building comprises of a series of specialized teaching areas grouped as closely as possible around a library-resource centre that occupies a large part of the main floor. Surrounding the resource centre on the main floor are administration offices, the social studies laboratory and primary methods section. This latter area will include a working model kindergarten.

The top floor has space for music instruction, complete with a specially designed music classroom and several practise rooms, a language section with specialized French and English Speech classroom and a fully equipped 36 place Language Laboratory. Also located on the top floor will be the mathematics section and several general purpose classrooms. These facilities will be grouped around a 160 seat lecture theatre which is designed to provide the widest possible range of uses including group use for music and drama as well as for lectures to larger classes. The Science Department, which consist of three fully

equipped laboratories and related facilities will be located on the lower floor along with the art department and audio visual section. A special feature of the audio visual section, which will distribute films to all faculties on the campus as well as to the community, will be a fully equipped 90 seat motion picture theatre. Space is also allotted on this floor for the future installation of equipment for a closed circuit T.V. system.

In addition, a number of facilities are to be provided to make the building as useful as possible for both faculty and students. These will include a faculty lounge, student locker rooms, and student lounges at several locations in the building. In addition, a large exhibition-display area will be located on the lower floor. These facilities are combined with academic areas in a manner intended to create the most pleasant possible surroundings for the day long, year round use for which the building is intended.

Here is what we can look forward to during the coming year:

Completion of Preliminary Design — Oct. 31, 1965
Completion of Working Drawings — Dec. 15, 1965
Call for Tenders — Jan. 3, 1966
Review of Tenders award Contract — Feb. 15, 1966
Commence Construction — Feb. 21, 1966
Substantial Completion of Building — Aug. 30, 1966

HOME COMING 1965 SUCCESSFULL

October 9 dawned bright and sunny and remained so all day long.

At 3 p.m. Homecoming Queen Colleen Clark '65, assisted by her two princesses Carol Johnson '65 and Donna Zimmerman '65, performed official kick off ceremonies at mid field. Thus began the annual Homecoming football game against Notre Dame Hounds.

The College Caps defeated the Hounds soundly this year in a 31 to 6 contest.

A highlight of the afternoon was the football game played at half-time between the Class of '68 and the 'Alumni Horrors.' Coach Gary Prior '60 had the Alumni team in fine condition for the game — well, they were present. It appeared that the game would end in a scoreless tie but in the last play, a pass to the referee in the end zone gave Alumni the major score. Oh yes, the referee, Russ Roney '60 was on our side.

The Class of '65 was well represented at Homecoming. Some of those in attendance were, Dennis Carter, Chris Cas-

sels, Yuen and Ying Cheng, Cathy Craig, Morley English, Bruce Fraser, Dave Hall, Heather Henderson, Gary Miller, Sally Norman, Ross Poole, Ray Putnam, and Cathy Robertson.

A fine Homecoming Ball, amid the flags of classes all the way from '25 up, was enjoyed by some 200 Alumni and students in the College Dining Hall. The smorgasbord prepared by Mr Vriese and his kitchen staff was truly mouth-watering. The common cry was "I'll have to come back next year" and I imagine the majority of those who were there will be back for Homecoming '66.

FIRST JANUARY ANNUAL MEETING

COLLEGE DINING HALL — SATURDAY, JAN. 15

12:47 Noon

Pancake Luncheon

ANNUAL MEETING

Saturday, January 15 marks the date of the Annual Meeting of the Alumni Association of Brandon College.

The change to January was implemented last May, when at the Annual Meeting a constitutional amendment was passed changing the date of the Annual Meeting from May to January thus coinciding with the fiscal year.

To add to the occasion, arrangements have been made to hold a pancake luncheon in the College Dining Hall at 12:47 p.m.

All Alumni are cordially invited to attend this luncheon and to add your support to the Association.

Some 'New Business' to discuss will be as follows:

1. Alumni Award to deserving citizens (introduced at the last annual meeting in May).

2. The possibility of the Alumni Association working in co-operation with college administration to establish and promote lectures and activities which would be of interest to the adult public.

3. The possibility of the Alumni Association working with college officials in the field of promoting Brandon College interest among high school students in Manitoba.

4. The Student Union Building Committee's preliminary report. This report deals with the findings of a committee set up by the Brandon College Student's Association to consider a Student Union Building on campus. The Alumni Association has been asked to support student efforts for the building.

PROPOSED OFFICERS FOR 1966

Nominating Chairman Clark Mitchell will present the following proposed slate of officers at the Annual Meeting, subject to further nominations from the floor.

President	Bill Bridgett '52 (incumbent)
1st Vice-President	David Wilson '59 (incumbent)
2nd Vice-President	Clark Mitchell '64 (incumbent)
3rd Vice-President	Gary Prior '60 (incumbent)
Ways and Means	Cathy Craig '65 (nominee)
Social Convener	Margaret Constable '63 (incumbent)
Associate Editor	

Alumni News George Gooden '64 (incumbent)

The above slate of officers, with the exception of Miss Craig, was accepted at the Annual Meeting in May. Due to the shortness of the 1965 term and in order to provide continuity, it was agreed they would be approached to serve office for the 1966 term.

TREASURE VAN 1965

The World University Service at Brandon College can report their most successful Treasure Van Campaign to date. Treasure Van sales for the three days of October 27, 28 and 29 reached a new high of over \$2800. Sales last year, as well as in 1963, amounted to \$2770.

This year a second year Arts student, Barry Burdeny, who is a talented young painter from Falcon Lake, donated one of his original paintings to the local W.U.S. committee. The painting was raffled and netted \$265. The local committee also receives 5% of the Treasure Van sales.

The profits from Treasure Van Sales will go to help further the work of W.U.S. in sending Canadian students abroad, assisting overseas students in Canada, and contributing to the growth of universities in developing countries.

Mrs. M. V. Naidu, a college teacher by profession, inaugurated Treasure Van this year.

CONSTITUTIONAL AMENDMENTS

The following constitutional amendments will be presented for your vote at the annual meeting in January.

Article IV—Fees

Delete Section (f) relevant to fees for fourth year students. (We no longer have 4th year students).

Article V—Executive Board Committees

From Section (A) (5) delete the words 'in May' following the words 'Annual Meeting'.

In Section (A) (6) change the word 'June' to February so that this will now read, "All officers shall enter upon their

duties on the first of February following election . . ."

In Section (B) (4) change the word 'spring' to December so that this will now read in part "having first published this nominating report in the December issue of the ALUMNI NEWS."

Article VIII—Elections

In Section (C) change 'January' to October and 'February' to November so that this section will now read "(C) The Nominating Committee shall have its first meeting not later than the 19th day of October and shall submit its report to the secretary not later than the last day of November."

In Section (D) change the word 'spring' to December so that it will now read in part: "shall be published in the December issue of the ALUMNI NEWS."

CUSO

Les Johnson '65 is off to Northwestern India after waiting two months for activities on the India-Pakistan border to subside.

John Sushelnitzsky '64 has just started the second year of a two-year stint of teaching in Tanzania.

Bill Godolphin '62 was delayed after '62 in getting away, so has just reached the same point as John in a two-year assignment in Western Nigeria.

Florence English '62 has recently returned after two years in Ghana. So have Martha and John Easter '58, earlier graduates who got married before going to Eastern Nigeria for two years.

All of these recent Brandon College students have gone overseas under the auspices of CUSO (Canadian University Service Overseas). Most Canadian campuses are represented among the several hundred CUSO volunteers working abroad this year.

The Canadian Government pays the travel costs, and has this year provided an additional grant that will allow the number of CUSO workers to be doubled if they can be found.

SCHOOL BANDS HEAR R.C.A.F. BAND

On October 25, Brandon College invited over 300 students and their chaperones from Brandon and rural areas to come to the Physical Education Building to listen to the fine musical arrangements of the Royal Canadian Air Force Training Command Band from Winnipeg.

The R.C.A.F. band has toured our NATO bases in Europe on three occasions prior to 1961. In September 1962 the band appeared with great success at the Seattle World's Fair during Canada Week. In the course of their travels they have also been featured at the Minnesota and Iowa State Fairs, and at the Calgary Stampede.

Although the band had appeared in many high schools in the area the young bandsmen were most eager to come to Brandon College to hear them again.

Having had supper in Brandon College Dining Hall the young musicians saw a college football game at Kinsmen Stadium after the Band Concert. Following the football game the orchestra portion of the R.C.A.F. band provided music for a "Sock dance" held in the Physical Education Building and of course college students as well as our young guests were invited.

Dr. Merton Utgaard, Instructor of Orchestral Instruments in the Brandon College School of Music, feels that experiencing professional bandsmen in action does a great deal to increase the enthusiasm of a youngster's playing.

OVERSEAS STUDENTS ON CAMPUS

JAMES BARROW — TEACHER FROM TRINIDAD

James Barrow completed his high school education in his home city of Port-O-Spain, Trinidad, and decided that he wanted to be a teacher. After taking a one-year teacher training course sponsored by the Trinidad Government, Jim taught in elementary schools in Trinidad for 4 years.

James Barrow

Having decided to embark upon a university education in Canada, Jim wrote to several Canadian Universities for information. The University of Manitoba was the first to reply and the material sent to him contained a description of the colleges affiliated with U. of M. Jim decided upon Brandon College and his application, once accepted by the University, was turned over to Brandon College.

As the summer of 1962 slipped away, Jim's arrangements to come to Canada were almost complete. On September 8, however, Brandon College received Jim's telegram. "Registration late. No visa. Cannot leave yet."

It was not until early October that Jim finally set foot on campus having arrived by train from Toronto where he was introduced to Canada. It was a dull, gray, rainy day when he first set foot on Canadian soil and Jim admits that he wondered if the good natured taunts he had received in Trinidad saying he was going to Canada, land of perpetual ice and snow, were indeed true. Any doubts about Canada's summers were rapidly dispelled, however, when the rains stopped.

One of the most noticeable differences, Jim noted, was the fact that in Canada the summer heat of the day continues all night whereas in Trinidad the nights are quite cool.

On first looking at Brandon College campus, Jim felt that it was much smaller than he had expected. The design of the new buildings on campus made a striking contrast with the architecture of the older Administration Building, he thought. The students, however, accepted him in the same way they accepted any other freshman.

Jim expects to graduate from Brandon College in May with a Bachelor of Arts degree. His studies have been largely in History, Geography and German.

When asked what lies ahead for him after graduation, Jim said that he would like to teach for a while in Canada and then possibly return to the West Indies to continue teaching.

Jim Barrow likes Canada and Brandon College. He has a pleasing personality and a ready smile. Another factor to his credit is that he is financing himself through college. In the summer of 1963 he went to Toronto in search of work and obtained a job in a factory which manufactures bottle tops and spray cans. Jim must be making a success of himself there because he has been asked to go back each summer since then.

Brandon College is proud to claim Jim Barrow as a capable member of the graduating class of '66. The Alumni Association looks forward to having Jim as a member and we all wish him, one of our first overseas students, the very best in the years to come.

Public Services Librarian

What is a "public services librarian"? This is a modern library terminology for librarians who specialize in those aspects of library work which deals primarily with the use of the collection as against the building of the collection. This work usually includes circulation, use of reference materials, interlibrary loan, instruction in the use of library materials and related fields. Brandon College has been fortunate in finding an experienced librarian to develop these services in our ever growing library.

Mrs. Teofila Gonzales, formerly Librarian of the College of Law, University of the Philippines, arrived in October to take up her appointment as Public Services Librarian at Brandon College. Mrs. Gonzales is a graduate in Arts and Library Science of the University of the Philippines. Her subject specialization is English. Several years' experience as an English instructor plus varied experience in science, military, university and law libraries will make her a welcome addition to our staff.

REUNION

CLASSES OF '39 AND '40

On May 28, 29, and 30 the Classes of '39 and '40 held a reunion to celebrate the 25th year of graduation.

The decision to hold a joint '39 and '40 reunion was made early last year, and ever, student in the second year was contacted about plans for a get-together over the Convocation weekend.

Miss Joan Garnett published the class prophecy in an early edition of the Alumni News and this stimulated interest in the class reunion. Letters were forwarded to all members of the classes and because of the change in Commencement date returning graduates congregated at the Convocation Ball held on Friday, March 28th.

Those attending from Class of '39 were Mrs. H. Best (Viola Munt); Mrs. Betty Waldron (nee Harwood); Gordon Kirk; Dr. Mike Lysenko; Don MacKay; Rod McKenzie; Rev. W. Potoroka; Fred Ramsey; Leslie Roberts; Dr. Victor Sharpe; G. Sutherland; Mrs. H. Wallace

(Bernice Mustard); Mrs. A. E. Waldron (Jessie Harwood).

Those attending from Class of '40 were Mrs. W. D. Thompson (Marg Hickling); Tom McLeod; Mrs. D. R. MacKay (Gwen Dobbie); Mrs. E. D. Fraser (Warda Meadows); Clare Pentland; Mrs. Chas. Hunt (Dorus Puel); Mrs. H. Seton (M. Kirk).

Messages were received from the following: Mrs. R. W. Grierson (Eva C. Wray); Dr. John A. McNeill; Geo. Wickett; C. W. Buckingham; Mrs. Seyward Smith (M. Robertson); Rev. J. E. Smith; Ormand Williams, Honorary Presidents; Dr. L. H. Cragg; Dr. Martin Johns.

On Saturday the Alumni members attended with the Class of '55 a luncheon in the College Dining Hall. Special guests were Mrs. J. R. C. E. ms., Mrs. E. C. Cowan, Ladies' Dean Mrs. S. P. Darraich and Mr. and Mrs. John Kasuriuk.

Following a tour of the "old buildings" and a look at the new ones, tea was served at the home of Mrs. Charles Hunt (Doris Puel). A final get-together was held Saturday evening at the Brandon Golf and Country Club where twenty-eight members, friends, and guests gathered to bid a fond farewell.

These classes have resolved to meet again in 1970.

CLASS OF '55

HOLDS FIRST REUNION

By VERDA (PEDEN) McDONALD '55

Thirteen members (26 in all) of the Class of '55 gathered with their wives and husbands and Dr. and Mrs. Tyler, Honorary Class President, at the Prince Edward Hotel on May 29, 1965 on the 10th Anniversary of our graduation from Brandon College. We're sorry that not everyone could make it. It was interesting to hear of the various positions held by the members of the class. They're a "go-go" gang too, having totalled quite a number of miles in travel since '55.

The evening was spent in reminiscing, comparing notes on families and locating members not present. The Brandon members of the class coerced some of those present into helping with entertainment to provide a note of levity (?). We wound up with a smorgasbord dinner—our appetites haven't diminished much in ten years!

It was a real pleasure to meet the people with whom we spent 3-4 years. I think all of us feel a tremendous pride in the expansion of our Alma Mater—but, this pride is touched with nostalgia over the close-knit community that was Brandon College '55. It will be interesting to see what changes have evolved by 1975 when we meet for our 20 year reunion. See you in '75.

Those attending our 10th reunion were: Mr. and Mrs. Trevor McNeely; Mr. and Mrs. Allen Hattie; Dr. and Mrs. Keith Hurst; Mr. and Mrs. Ben Ward; Mr. and Mrs. George Strang; Mr. and Mrs. Ron McMurray; Mr. Harvey Young; Mr. and Mrs. Dick McDonald; Mr. and Mrs. Harold Stewart; Mr. Frank McKinnon; Mr. and Mrs. Walter Korzienowski; Dr. and Mrs. Gerry Graham; Mr. and Mrs. Jim McCrorie (Elaine Cameron); Dr. and Mrs. E. J. Tyler.

GOVERNOR-GENERAL AND PRESIDENT

By DR. ROBERT HARVEY, Class of '13

The fall of 1912 was a notable one in the history of Brandon College. It was visited by a Royal Governor-General, the Duke of Connaught, and it also welcomed a new president, Dr. Howard P. Whidden.

It was on Wednesday, Oct. 16 that the third son of Queen Victoria, who was visiting in the west with the Duchess and their daughter, Princess Patricia, stayed off at Brandon. He was born at Buckingham Palace on May 1st, 1850, and after a distinguished military career had been appointed in 1911 to succeed Earl Grey as Governor-General of Canada.

When the ducal party arrived at the college at 11:15 it was a beautiful fall morning. They were received at the entrance of Clark Hall, and an address of welcome was read by the senior member of the staff, Dr. S. J. McKee. The Duchess received a bouquet and a Clark Hall pin was presented to Princess Patricia by Muriel McCamis of Class of '13. The writer happened to be chairman of the Students' Committee, now called the Senior Stick, and led the student body in its cheering.

Two years later the First Great War broke out, and a new regiment was formed in Canada that achieved a proud record. It was given the name of the Princess Patricia's Canadian Light Infantry.

The Baptist Association of Western Canada decided in 1899 to build a college in Brandon, and it was erected the following year. Dr. A. P. McDiarmid was called from Ontario to become the first president; and for the next 12 years spent his strength and talent in building up the young college, and in this was splendidly supported by Dr. S. J. McKee.

Dr. McKee, together with Dr. Crawford, had conducted

Dr. Robert Harvey

an academy at Rapid City, which then expected the C.P.R. to go through it. After the railway was routed through Brandon, Dr. McKee moved the academy into the new city. When the Baptists chose Brandon as the site for the new college, Dr. McKee, a staunch Baptist, turned in his academy as a nucleus for the young institution. Dr. McDiarmid's health later declined and in 1912 he was forced to resign. He bought a little "Sabine farm" at Robson B.C. and his health was largely restored for some years.

Dr. H. P. Whidden had taught English in the young college earlier, but had then gone back into the ministry. He had served for some years a Baptist church at Dayton, Ohio, but the College Board now offered him the vacant position of president, which he accepted. On Friday, Nov. 15, he was installed in the Brandon Baptist Church to his new office. As chairman of the Students' Committee the present writer had frequently to consult with the new president and learned to appreciate him highly.

In 1917 Dr. Whidden was elected as M.P. for the Brandon constituency with one of the largest majorities in the country. He did excellent work in the Union Government of Sir Robert Borden until the war was over. The position of Chancellor of McMaster University, with which Brandon College had been affiliated, was offered to him in 1923 and he accepted. Dr. Whidden died on March 30, 1952.

Brandon College is again active in its fall work, with a greatly enlarged student body, teaching staff, and new buildings. Many of the student body of 1912 and earlier are no longer with us. But those who remain still remember vividly when we welcomed to the college the Governor-General, the Duke of Connaught, and the new President, Dr. Howard P. Whidden.

Editor's Note — Thanks goes to Dr. Harvey '13 for his timely description of the exciting events October 16, 1912. It is, indeed, gratifying to have among us an alumnus whose vivid recollection goes back to the very beginnings of our college.

SCHOOL OF MUSIC

—BUSY

The Lecture Theatre has been the scene of concerts series presented by off-campus guests, as well as by School of Music Faculty and students Jeunesses Musicales, whose evening centre draws its membership largely from the college, has hosted two concerts.

Campus Concerts have brought the variety of the University of Manitoba Consort, Le Rondeau de Paris and the Killarney Glee Club.

The October 24th programme of Sunday Nine O'Clocks introduced the Wawanesa Chamber Ensemble the members of which are winners of the Wawanesa Centennial String Scholarships, mentioned in the October Alumni News. The String Ensemble included faculty members Albert Pratz, Mae Selwood and Ann Sherbondy, Student-Teacher Erika Benedik, and students Jack Spalding, Tom Williams, Velma Ko and Phyllis Wedding.

Anne Sherbondy, cellist, Walter Hekster, clarinetist, and Alice Hekster, bassoonist, are new instructors of the School of Music and were introduced to Brandon audiences at a Faculty Recital on Nov. 18. They were joined by Lawrence Jones, pianist, and Louise Chapman, pianist.

WITH THE FACULTY

Mr. H. P. Constans, Assistant Professor, Faculty of Education has returned from attending the annual meeting of the Northwest Philosophy of Education Society, held at Western Washington State College, Bellingham, Washington, U.S.A.

At this meeting Professor Constans delivered one of the six papers presented to 75 participants from the U.S. Northwest and the four Western Canadian provinces. The title of the talk was: "Toward a Canadian Philosophy of Higher Education (with special reference to Manitoba)."

Professor Constans is supervisor of practice teaching at Brandon College and teaches Educational Psychology and Classroom Management.

Mr. Francq of the French Department had an article published in the Fall Number (October '65) of "The Canadian Modern Language Review" "De Quelques chasses-trappes et curiosités de la langue française." It deals with a few pitfalls and curiosities of the French language. Another article by Mr. Francq about the introduction of French at the kindergarten level will soon be published in the French Review, organ of the American Association of Teachers of French.

Mrs. C. W. Gordon and **Dr. Naidu**, faculty members of the Department of Political Science accompanied the college student delegation to the Peace Garden Conference held on September 29, 1965. Subsequently, Dr. Naidu attended a meeting at Minot on November 10, 1965 that prepared the plans for the next fall's Peace Garden Conference.

Besides publishing in The Brandon Sun

four articles each on the problems of Kashmir and Rhodesia. Dr. Naidu addressed on Oct. 10, 1965 the Brandon Unitarians on the subject of "The Rational World and the Irrational Man" He also delivered the United Nations Day speech at Minot on Oct. 24, 1965.

During January-February, 1966, Dr. Naidu is scheduled to deliver for the Extension Division a series of lectures on "The Makers of Modern India — Tagore, Gandhi and Nehru."

Miss MacNeill, Associate Professor and Head of the French Department, attended a seminar in Ottawa (Oct 22-24) on Leadership Training. She is a member of a committee set up by the National Council of Women to prepare and arrange for the implementation of a Leadership Training Program on a National scale.
