*General Secretary*: S. OLIVIER, 180 Portsdown Road, W.

*Political Secretary*: GRAHAM WALLAS, 92 Cheyne Walk, S.W.

*Lecture Secretary*: SIDNEY WEBB, 27 Keppel Street, W.C.

DEAR SIR,

I am directed by the Executive Committee of the Fabian Society to transmit to you herewith a list of the members of the Society who are willing to lecture, to open a discussion, or to conduct a public debate, on the various subjects specified in the list.

If single lectures are required, please apply direct to the lecturer desired, allowing as much previous notice as possible. The lectures are in all cases given gratuitously, and within reasonable distances no travelling expenses are charged. Those lecturers whose names are marked with a star (\*) will conduct a public debate with an opponent, if desired.

In some cases it has been found advantageous to arrange, instead of isolated lectures, courses of three, four, or six successive lectures, by different lecturers, on separate aspects or parts of the same general subject. Particulars of suggested courses are given on the next page, and for these, or other courses desired, application should be made to the undersigned, stating the dates available.

Arrangements can also be made for speakers to take part in political meetings, upon similar application.

It is requested that, in any published announcement of a lecture, the words "Fabian Society" be added after the lecturer's name, unless he should express a wish to the contrary; and that full notice of the lectures be given to the local press.

I am, yours faithfully,

SIDNEY WEBB,

*Lecture Secretary.*
